The first semester of A.S.B. started off with a bang, as elections were held. Rafael Serrano won the position of leading the student body in the Fall. The first event that took place was a leadership conference held in Redlands which helped to motivate and excite the A.S.B. class. They returned with new ideas and enthusiasm.

October brought the Halloween Activity Day with mummy wrapping, pie throwing and tricycle races!

A.S.B. leadership helped to sponsor both food drives and a Toy drive during the holiday season. Great job!

A winter formal was planned with great care called "Magic Moments", but was not successful in happening. Thank you to all who worked so very hard to try to make it happen.

The students finished up the Fall, planning some great events for the Spring. Thank you A.S.B. leadership.

"When I think about the scream."

I think about the person who fell off the edge ... maybe it was me!
 I think about a woman that lost her child
 I think about the night I saw flashing lights in my rear view mirror
 I think about the ambulance that could have been taking me to the hospital ... but didn't
 I think about how lucky I am
 I think about the situations that I have gotten myself into, and how I wanted to scream myself
 I think about the people that I have hurt, and the people that have hurt me
 I think about the walls closing in on me from all around, and the only thing that I have left to do is ... SCREAM!!!!
