Presents the 1958-59

Tomahawk

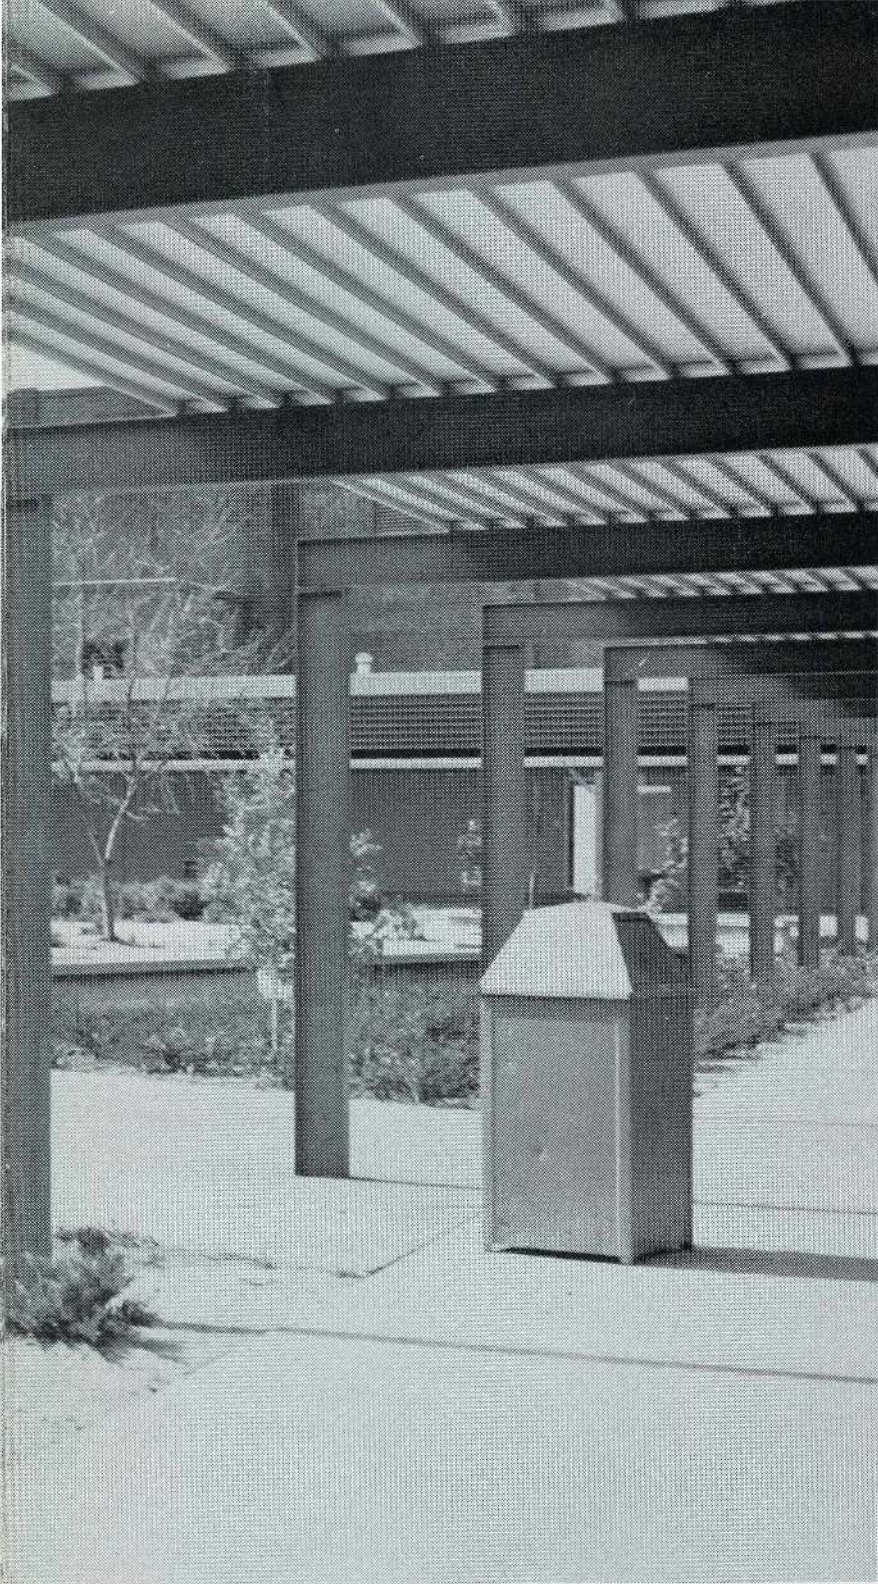

Vol. 12

Foreword

This is the record of more than a thousand Hart High Indians. We, the students, are living as we prepare ourselves for the future. In this process of living together on the Hart campus, we are learning, competing and socializing in tomorrow's world which is to some degree ours today.

We, the Tomahawk Staff, have tried to make this edition an album of Hart accomplishments, including all of the things which made this year so full of happiness and achievements. We hope that, as time elapses, this annual will be an unflinching source of enjoyment to all who turn its pages.

Dear Students:

The people of William S. Hart High School District have always been interested in and concerned about the High School and its students. Since the day of its founding, business institutions and individuals have seen fit to present awards and recognition to its students.

Early in 1952 a group of interested people conceived the idea of forming an organization through which and by which all interested organizations and individuals could contribute to the further education of worthy students.

As a result of this meeting, the William S. Hart Union High School Scholarship Foundation was formed in 1952, and in that year awarded three scholarships. In 1958 the Foundation was able to award seven scholarships.

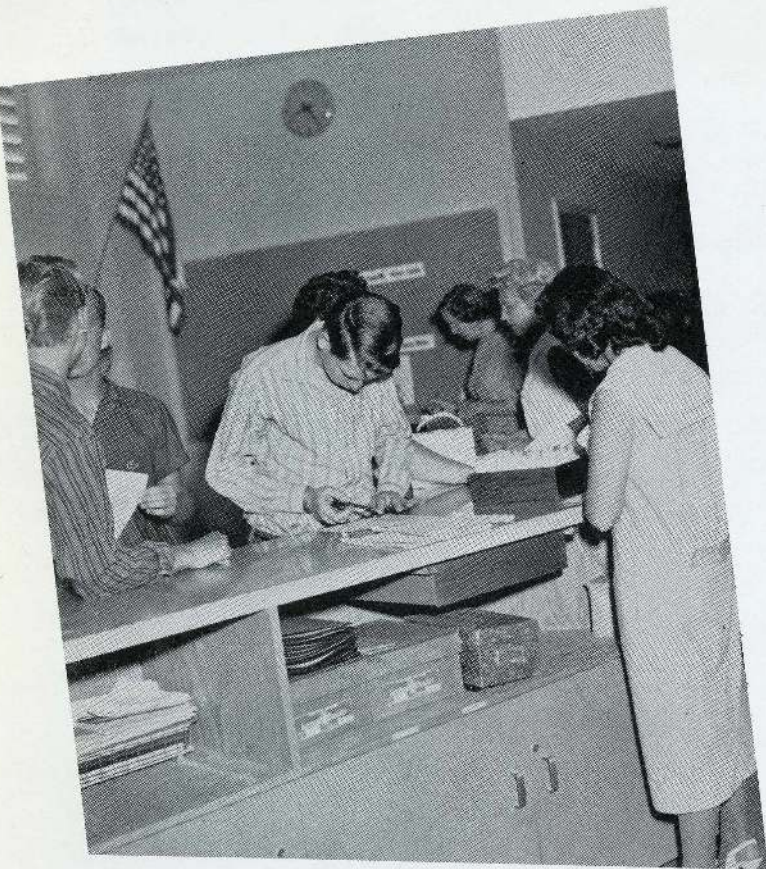

May I assure you that the Foundation will stay in existence - that there will always be someone standing by to give the worthy student a helping hand. Because of this, I urge those of you who feel that you may not have the opportunity of a further education after the completion of High School - to carry on - prepare yourself for entrance into an Institution of higher education.

The Community and the Foundation is back of you and will always do its utmost to help you achieve your goal if you have done your utmost.

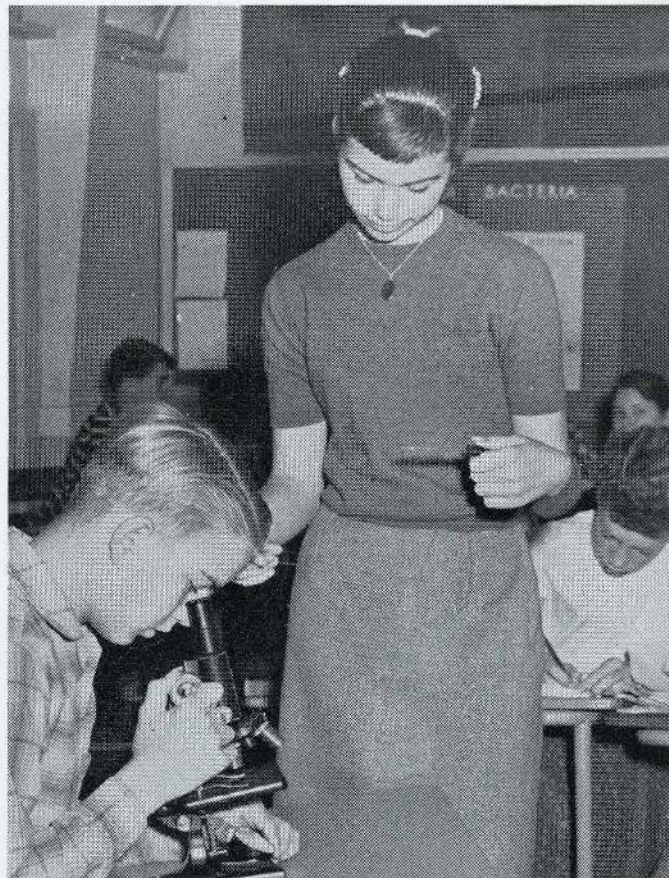

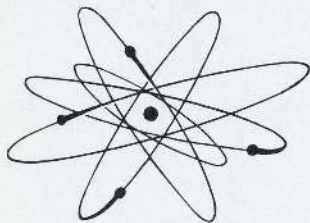

Sincerely,

C. M. MacDougall

Summer School
Registration

Young Scientists learn to recognize types of bacteria through the use of a microscope.

Mr. David L. Brown greets an enthusiastic class in Principles of Math.

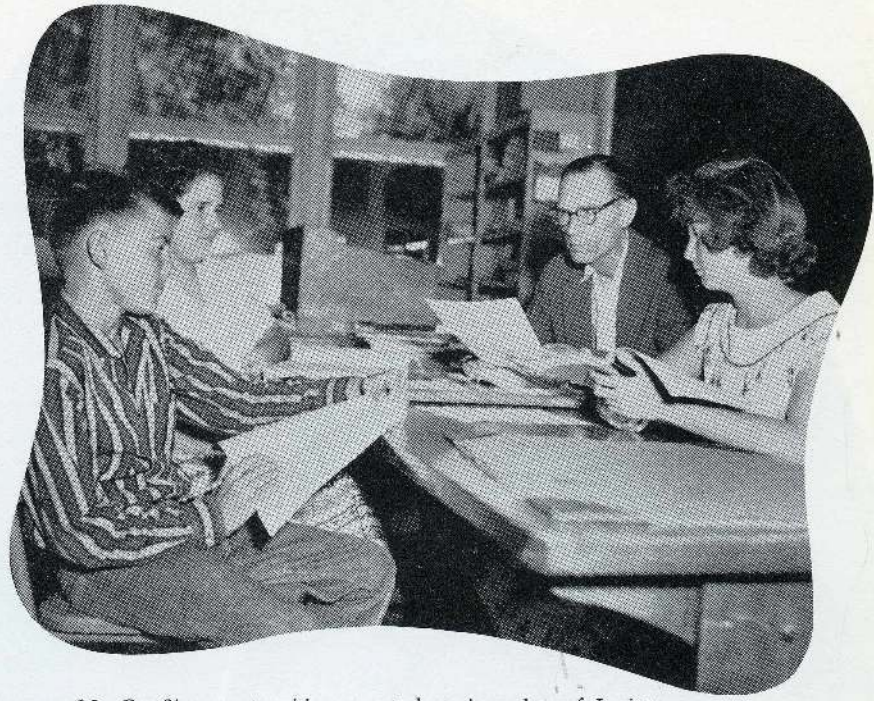

Session

To go to school—or to go fishing. Over 250 Hart students answered that question by choosing summer school.

Classes held during the summer gave many students a chance to forge ahead in chosen subjects; for some it was a catching-up period, while for still others it would lighten a heavy schedule for the fall term.

Students who will enroll this fall in the Junior High were very eager. A number of students took classes that would help them to be better prepared for this transition.

Whatever the reasons were they all reported a most enjoyable and profitable Summer Session—1958!

Mr. Cec Sims meets with eager students in a class of Junior High students who are studying English.

Mrs. Redfield finds an informal atmosphere is most welcome by eager summer students.

Students of history find it refreshing to locate summer resort areas in the Rocky Mountain region with their teacher, Mr. Ed Barnhill.

Key Club members proved to be excellent waiters and bus boys under the supervision of Mr. Cec Sims and Miss Leonard.

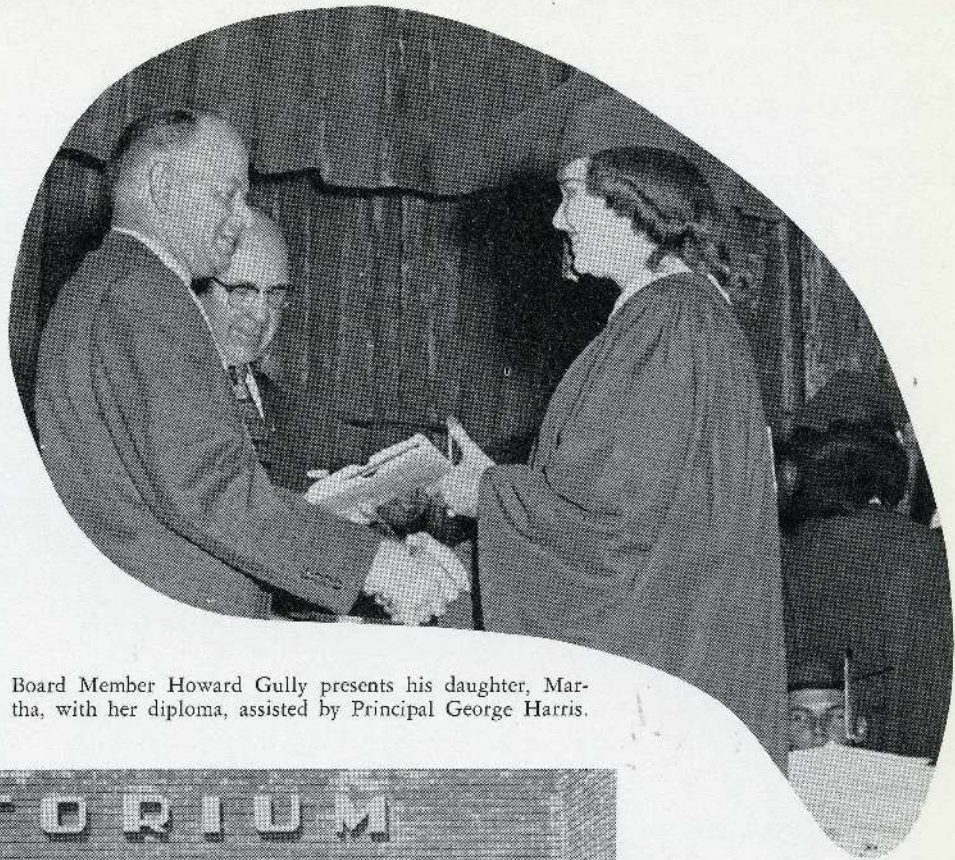

Miss Janet Martin serves tea under the watchful eye of Miss Kay Leonard.

The Girls' League sponsored mother-daughter tea had the honor of being one of the first to use the new cafeteria dining room.

MR. IRVIN A. SHIMMIN
District Superintendent

Administration

Mr. Irvin A. Shimmin is to be highly commended on his outstanding work as Superintendent of the William S. Hart School District.

He has put forth every effort to secure the buildings, equipment and faculty necessary to guarantee to every student a good education, academic as well as vocational.

Mr. George Harris, our principal, uses his wide and varied interests and experience in supervising the instructional program for more than a thousand students.

He is ably assisted by Mr. David L. Brown and Mr. James Buddell.

These men all deserve our vote of appreciation for presenting us with the opportunities that exist for us at Hart High.

The Board of Trustees are officers of the State of California. They determine policies which govern our school, our teachers, and all the students at Wm. S. Hart. These members serve without pay and give a great deal of their time and effort to better the education of all our students.

The officers for this year are: Mr. Adrain Adams, President; Dr. William Ross, Clerk; Mrs. Paul Palmer, Alternate Clerk; and Mr. Irvin Shimmin, Secretary.

Our hats go off to a dedicated group of local citizens.

Your use of the English language, good or bad, will contribute to the first impression people have of your personality and training. If you have ever had a particular idea you have wanted to express and just could not find the right words, you will realize the important part a thorough knowledge of our language can play in our lives.

The necessity for foreign language is becoming greater as time goes on. In our world today we find a growing need for communication with other countries. Our early introduction to Spanish helps acquaint us with culture and ideals of foreign lands.

Math

The development of mathematics has gone hand in hand with the advancement of man. Here at Hart students are given the opportunity to develop many of the concepts of mathematics. Math is giving tremendous status to Hart.

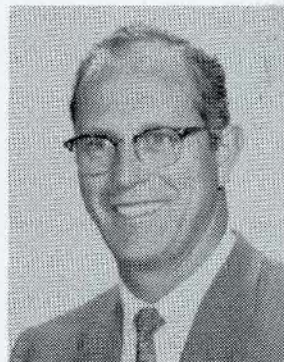

MR. DAVID BAKER

Science

The emphasis put on science at Hart is helping the students become more aware of the important part it plays in their lives and the world of tomorrow. The advancing science of yesterday led to the Sputniks and other great discoveries of today, which proves that the advancing science of today will lead to greater discoveries of tomorrow.

IN MEMORY OF
 MR. CHARLES DILLENBECK
Always in Our Hearts

You were far more than head gardener to us, Charlie . . . In the finest sense you exemplified, to the fullest measure, "If there is anything worthwhile, praiseworthy, or of good report, we seek after these things." You played a vital role in our school's formative years . . . You shared our problems, fears, dreams, triumphs . . . You warmed our hearts with your keen insight into the human mind . . . With intense devotion to duty you beautified our campus . . . In the lawns and shrubs you have bequeathed us a part of your personality that will manifest itself in the coming years . . . With loyal devotion you labored to perpetuate the high ideals of our school . . . You championed Truth, Honesty, Righteousness, Love—all principles of decent living.

We shall miss your warm greeting, your engaging smile, your firm hand-clasp, your words of praise, your deep love for all of us . . . You will not be back with us, Charlie, but throughout the years ahead, we shall keep you in our hearts, always . . . Truly, you embodied the Spirit of Hart High . . .

PRESIDENT DON WAGONER

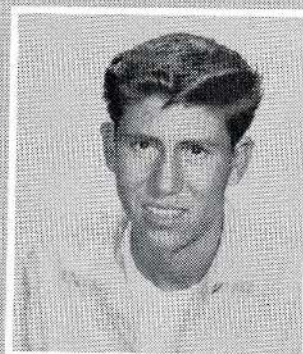

Secretary, Lyndell Riley; President, Don Wagoner, Treasurer, Sharon Edwards.

Cashier, Marcia Hargrave

Vice-President, Manuel Juarez

Accountant, Rita Farris

Our A.S.B. Officers, holding the most esteemed office of student government, have expertly fulfilled expectations and carried their responsibility well through one of the most rewarding years Hart has ever earned. Through its terrific leadership and enthusiastic student body Hart has come out on top this year. Under the leadership of our student officers and guidance of our faculty the students were brought together to work in unity to accomplish their goal.

The A.S.B. officers have well earned the right to look back with pride on a job well done. Through their efforts they have proved students' ability to govern themselves.

Mr. Al Grass, Sponsor

Hart's Clubs are very important in keeping up spirit and interest in school life. They are the basis for all school functions and activities. Inter-Club Council is an important factor in maintaining these clubs. It represents the foundation on which all other campus organizations run. Meetings are held every other Monday and members are the presidents from the different clubs. They are responsible for the assignments of canteens and after-game dances and, together with the P.T.A., they plan the Halloween Carnival. Its main purpose is to keep the different clubs from separating and bring them together to make a unit.

The Tomahawk Staff has done much this year and in the past to get Hart's yearbook organized and published. The yearbook is an overall picture of the activities that go on at Hart's campus.

It serves as a permanent reminder of high school memories. The staff, made up of a few of Hart's hard-working students, does a very good job of reproducing these memories with pictures and copy in the form of a book they call the "Tomahawk."

The Smoke Signal, the school paper at Hart, keeps the students well-informed of the happenings around the campus. There are also many special features which provide the paper with variety and humor. This is indeed a great service to our school.

Students follow the weekly columns reporting such items as the "Athlete of the Week," Sports Spindle, "Alums," "Inquiring Reporter" and specials like "Kute Kupples."

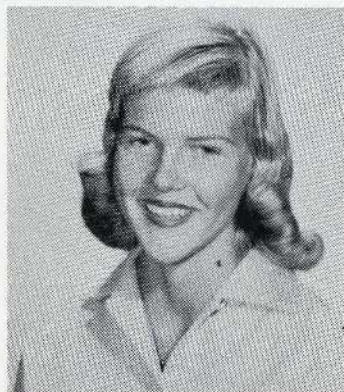

We doff our hats to a fine staff and their editors.

Math Club

Math has become a necessity in practically all vocations. It is sometimes hard for students to realize the importance of a vast knowledge in this field. They sometimes are inclined to steer away from as many math courses as possible because of lack of interest. To show and add to the interesting side of Mathematics is the main purpose of the Math Club. To achieve their goal they plan extra-curricular activities such as visiting L. A. Harbor, having a Math Field Day and skating party. These are just a few examples to show you why this club is one of the more popular ones at Hart.

Student Store

Mr. R. C. Durfey

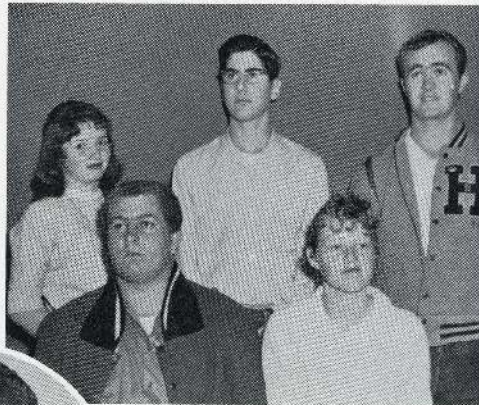

Another valuable asset to the campus is Hart's Student Store. Operating in the morning before classes and during both lunch hours, it serves as a convenient place for the students to buy needed school supplies. Many other interesting and useful items are also in stock, such as camera equipment, gym clothes, and the currently popular records. Besides serving as the school store, it is very important to Hart because it handles all canteens which are so valuable to the games.

The Camera Club serves as one of the more active clubs on campus. During meetings that are held once a week, members plan such activities as trips to Gene Autry's Ranch and San Fernando Mission. The highlight of the year is an annual trip to Cinerama. Here they get a chance to mix business with pleasure by studying the style of outstanding photographers.

But having fun on field trips isn't the only goal for them. They are a service to the school and community as they produce all pictures for games and other requested outside activities. You can well see why the Camera Club is one of the more active at Hart.

Driver Education is becoming more and more important in today's living. Students are taught what causes accidents and how to avoid them. Statistics show that the possibilities of being involved in an accident are cut by 50% for students completing this course satisfactorily. This alone proves the need of Driver Education if the roads of tomorrow are to be safer. Therefore, the state of California has made Driver Education a required course in all high schools.

The Girls' League of Hart High presented their tenth annual Mother and Daughter Tea and Fashion Review in the high school auditorium last May 22, 1958.

Janet Martin welcomed the girls and their mothers and introduced the fashion review. Hazel Young was narrator.

The homemaking girls modeled fashions from shorty pajamas to elegant evening dresses which they had made during the past semester. Some of the dresses and play clothes were designed by the girls themselves.

Saundra Olsen was chosen Queen of the Fashion Show. Her lovely gown of beige tulle won her the unanimous votes on the basis of good workmanship. Participants in the show are volunteers from the sewing class.

These points are counted toward membership in Lettergirls.

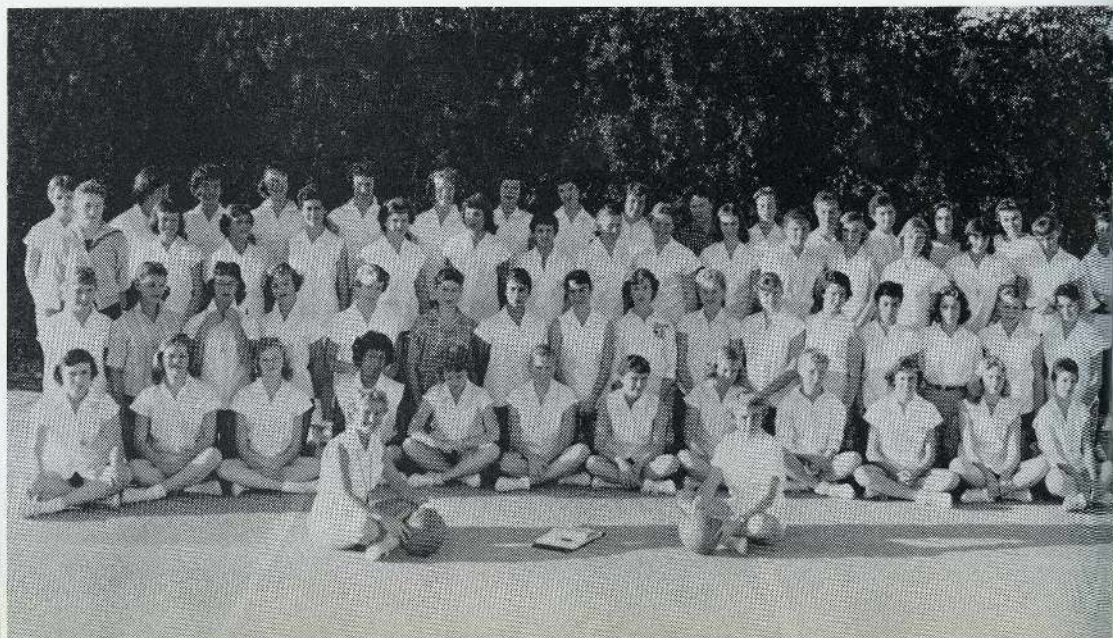

The sponsors, Mrs. H. Zelina and Miss L. Nossaman, while enjoying the activities, travel with the club on field days and inter-school activities. The G.A.A. offers recreation and exercise to those girls who would not generally receive these benefits.

1958-59 VARSITY CLUB HIGHLIGHTS

Ably led by President Ron Wagoner and Vice-President Bill Rice, this year's club was faced with the job of reorganizing in order to form a more active group. A new constitution, minimum participation standards, and the formation of an executive committee were the most important reorganization moves.

Athletically Hart is on the way to its finest year in sports. All-C.I.F. football players John Reid and John Sheeler led Hart to the C.I.F. Semi-Finals. At this time basketball is well on its way to an outstanding season having won 10 and lost 4 and we have been established as the Frontier League favorite. All of the spring sports promise to be of championship caliber.

Activity wise the first dance of the year was sponsored by the Varsity Club with all proceeds donated to the Athletic welfare fund. We were represented at the fall leadership camp and entered a "float" in this year's first homecoming parade. The club was well represented in student affairs with members Don Wagoner and Manuel Juarez as Hart's Student Body President and Vice-President.

This spring the club will be busy gathering new members and working on plans to make next year's Varsity Club THE BEST EVER.

The First Annual Sadie Hawkins Dance proved to be a big hit with the students. Here is Mike Arnold auctioned off by Ron Wagoner.

INDIANS WIN LEAGUE CHAMPIONSHIP—REACH C.I.F. SEMI-FINALS

When the Hart Indians smothered Fillmore 25-0 before 4000 screaming fans at the homecoming game they climaxed Hart's greatest regular season of play. With such stars as Jim Bottoms, John Sheeler, and John Reid leading the way, the Tribe won 11 straight before losing 14-6 to San Marino.

In seasonal scoring the Indians racked 379 points while allowing only 46 points to be scored. In the league it was 202-12, the 12 points gained by Nordhoff.

Most points scored by Hart in one game was the 62-0 victory over Carpinteria and the least was in the San Marino loss. San Marino also scored the most against the Indians, but Hart chalked up six shut-outs.

All in all, 56 Indian TD's were scored and Dave Jones converted 43 times. Hart was trapped once for a two-point safety.

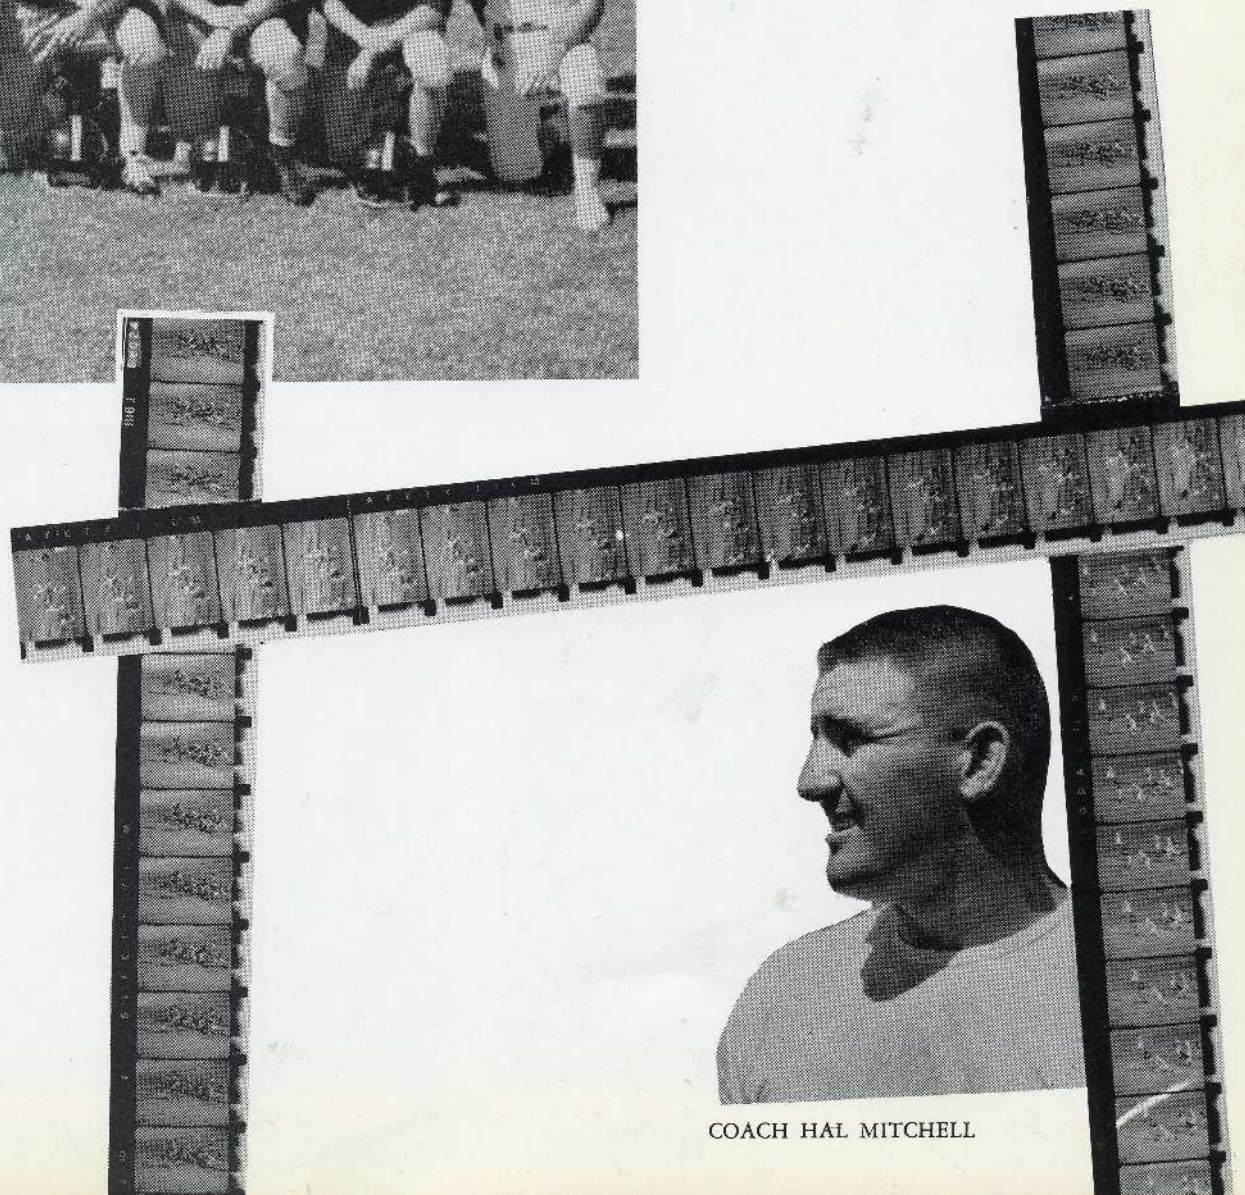

Because of Hart's great regular season record of 9 wins and no losses, the Los Angeles Examiner rated the squad as the best of the Class AA small school football teams.

Operating a UCLA-type single wing the Indians proved they were no team to be ignored. Newhall could also fling the pigskin for large gains. The passing and running together put the Tribe in the 200 yards gained bracket in most contests. Against Fillmore 315 yards gained with 69 in the air.

This year the Varsity Baseball Team really did a fine job, starting the season with a 7 win, 2 loss record, as we go to press. Varsity Tennis

The varsity racket squad under the direction of coach Rump, has, so far this year, been a credit to Hart. Although not in league play, the squad has won a major per cent of its matches.

The coach is expecting the team to continue its successful record.

At press time the tennis team looks as if it may be on the way toward league championship.

Hart's Junior Varsity Tennis team upheld the name of the school this year. Under the guidance of Robert Rump, the netmen were tough for any opposition.

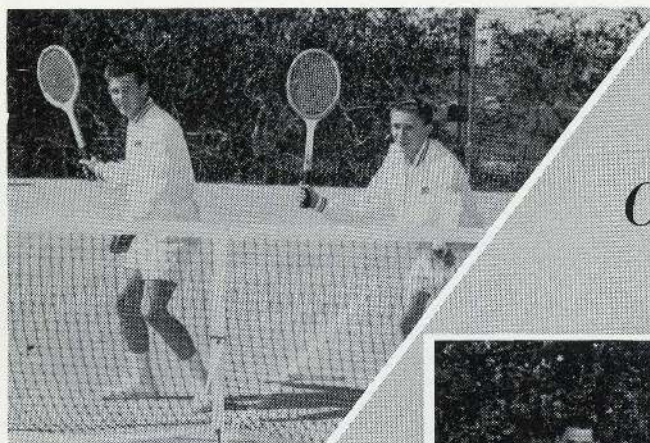

Some of the season's highlights include wins over Ventura and Verdugo.

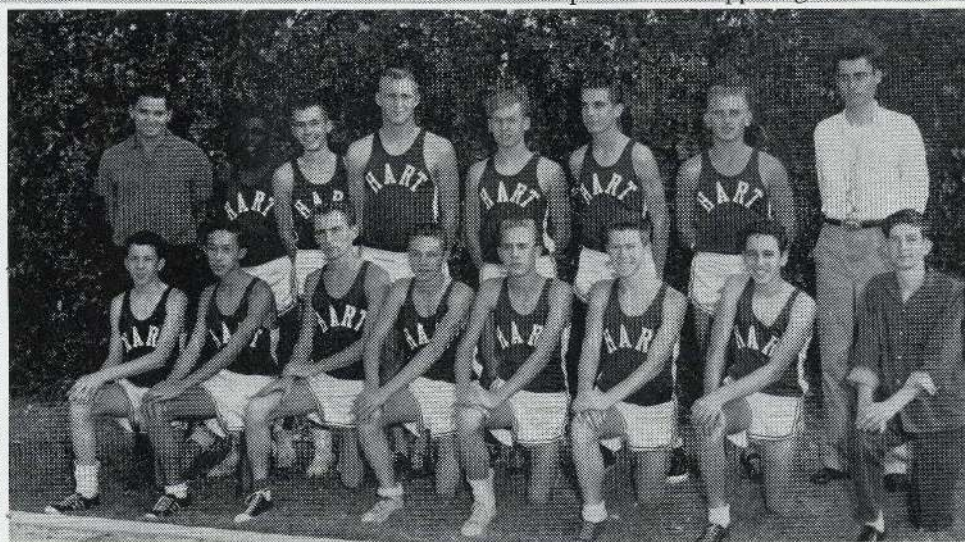

Richard Solis, as he competes for Hart in cross country meet. Our Cross Country team is composed of a few select members. The sport highlights stamina and endurance, as the boys, along with running, must overcome many obstacles.

The team should be congratulated for their efforts in competition with opposing schools.

The color and excitement of any track is difficult to describe. Until you, as a spectator can sit in the bleachers and watch our boys participating in the many field and track events you cannot realize the thrill of this competition.

This spring sport has many participants and represents a large cross-section of the school.

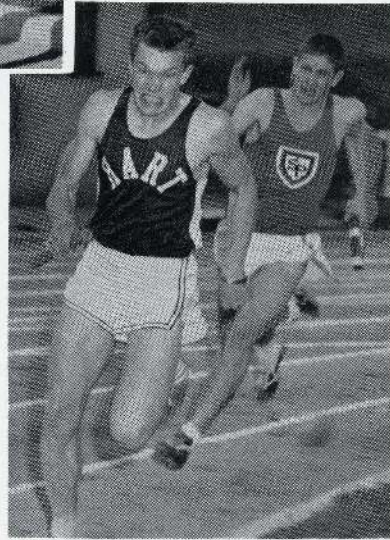

As a rule this sport is not one of teamwork, but of individual skill. Although points and relays, are of importance, hurdles, broad-jump, and pole-vault, a few of many, stress individuality.

Senior

Play

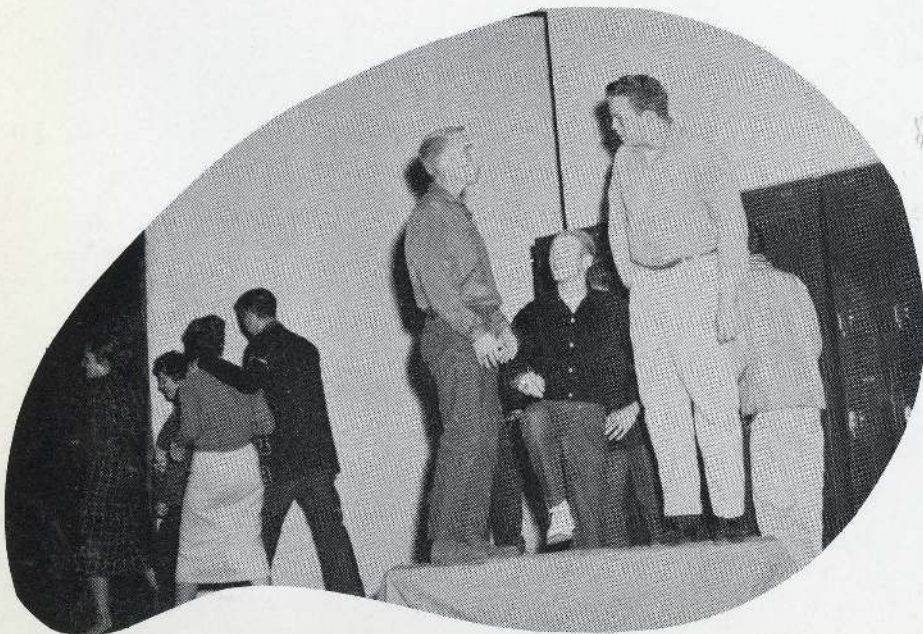

Usual confusion reigns as everyone assembles in the locker room between classes.

The Senior Play this year, "The Defiance of David Charles" was an especially big success. Everyone attending was delighted with the riotous scenes which took place in the locker room and principal's office of a modern high school.

The play concerned itself with the problems of a confused teen-ager who rebelled against his parents and schoolmates. David Charles felt he was a failure because he wasn't equal to his father on his father's level of intelligence. In the final act he realized that he had been wrong in his attitudes toward his father, and his girlfriend came to understand him and his problems.

The play concluded in a happy scene as father, son and girlfriend leave arm in arm for the local soda fountain.

Dixie Griffin, as Lottie, clowns in the locker room for her schoolmates.

The Junior Play "June Mad" pleased a large audience when presented in early spring. The play depicts the problems of a 15-year-old girl during those gay, carefree, "mad" days of June.

As she hopefully launches upon her career as a great writer, Penny Wood meets dashing Roger Van Vleck and experiences "love at first sight." Her parents are rather puzzled. At a party, Penny, in an effort to impress Roger with her sophistication and maturity, dresses in a startling strapless gown of flaming red. The party reaction left Penny crushed and humiliated. How Penny finally resolves this humiliation makes some of the finest scenes in the play.

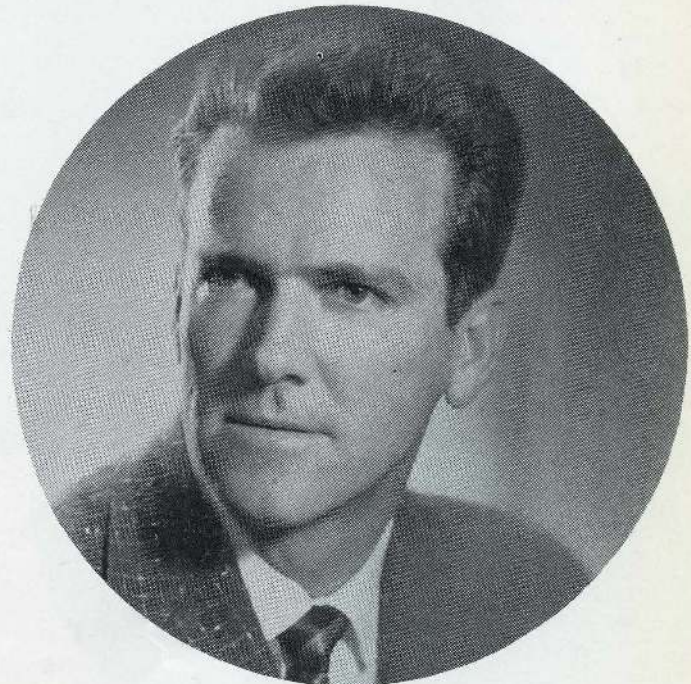

It brought long and loud applause as they drew the curtains on the final scene. Everyone enjoyed the rollicking comedy and fine acting of members of the Junior Class.

Linda Brechel as Effie marches through the scene as the climax approaches.

Linda Brechel and Nola Carson, Effie and Mrs. Wood leave as Lois Anthony, Penny enters.

Mr. M. Sproul was responsible for the superb direction of both the Senior and Junior Plays. He deserves an especially big hand for his patience and guidance which was the main factor in the success of both plays.

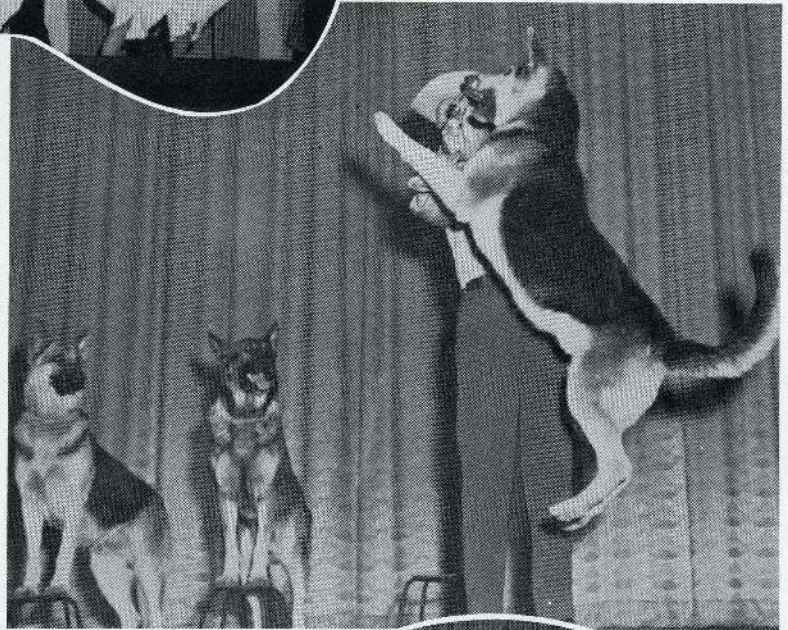

Assemblies

The enthusiastic reaction to this Pepperdine music assembly should indicate that Hart have many more such assemblies.

This year Hart had an exceptional assembly schedule. An especially good I.C.C. assembly was given in behalf of the Red Cross, and the Hart students were also entertained by an exchange assembly from Simi. On Thanksgiving we were honored by a speech from Rev. Joe Robertson and Prince Modupe also spoke to the student body in another assembly.

Assemblies

One of the many successful Pep Assemblies during the basketball season in which many students participated.

A demonstration of the electronic stove was given by the electric company. Many of the students sampled the food which was cooked right on the stage.

In addition to the above mentioned, there were several other entertaining and educational assemblies enjoyed by all.

Prince Modupe spoke to Hart Indians in a special assembly. The prince, from Guinea, Africa, told the students the true picture of the Dark Continent.

The Rev. Joe Robertson speaks at the Thanksgiving Assembly on the appropriate topic, "Reasons for being grateful."

Miss March—Dependability

The award for the GIRL OF THE YEAR is one of the oldest traditions at Hart High. A highly coveted award for the highest non-scholastic award any girl may receive.

The Senior girl who best exemplifies the characteristics of leadership and dependability as well as cheerfulness with a willingness to serve is presented with this honor.

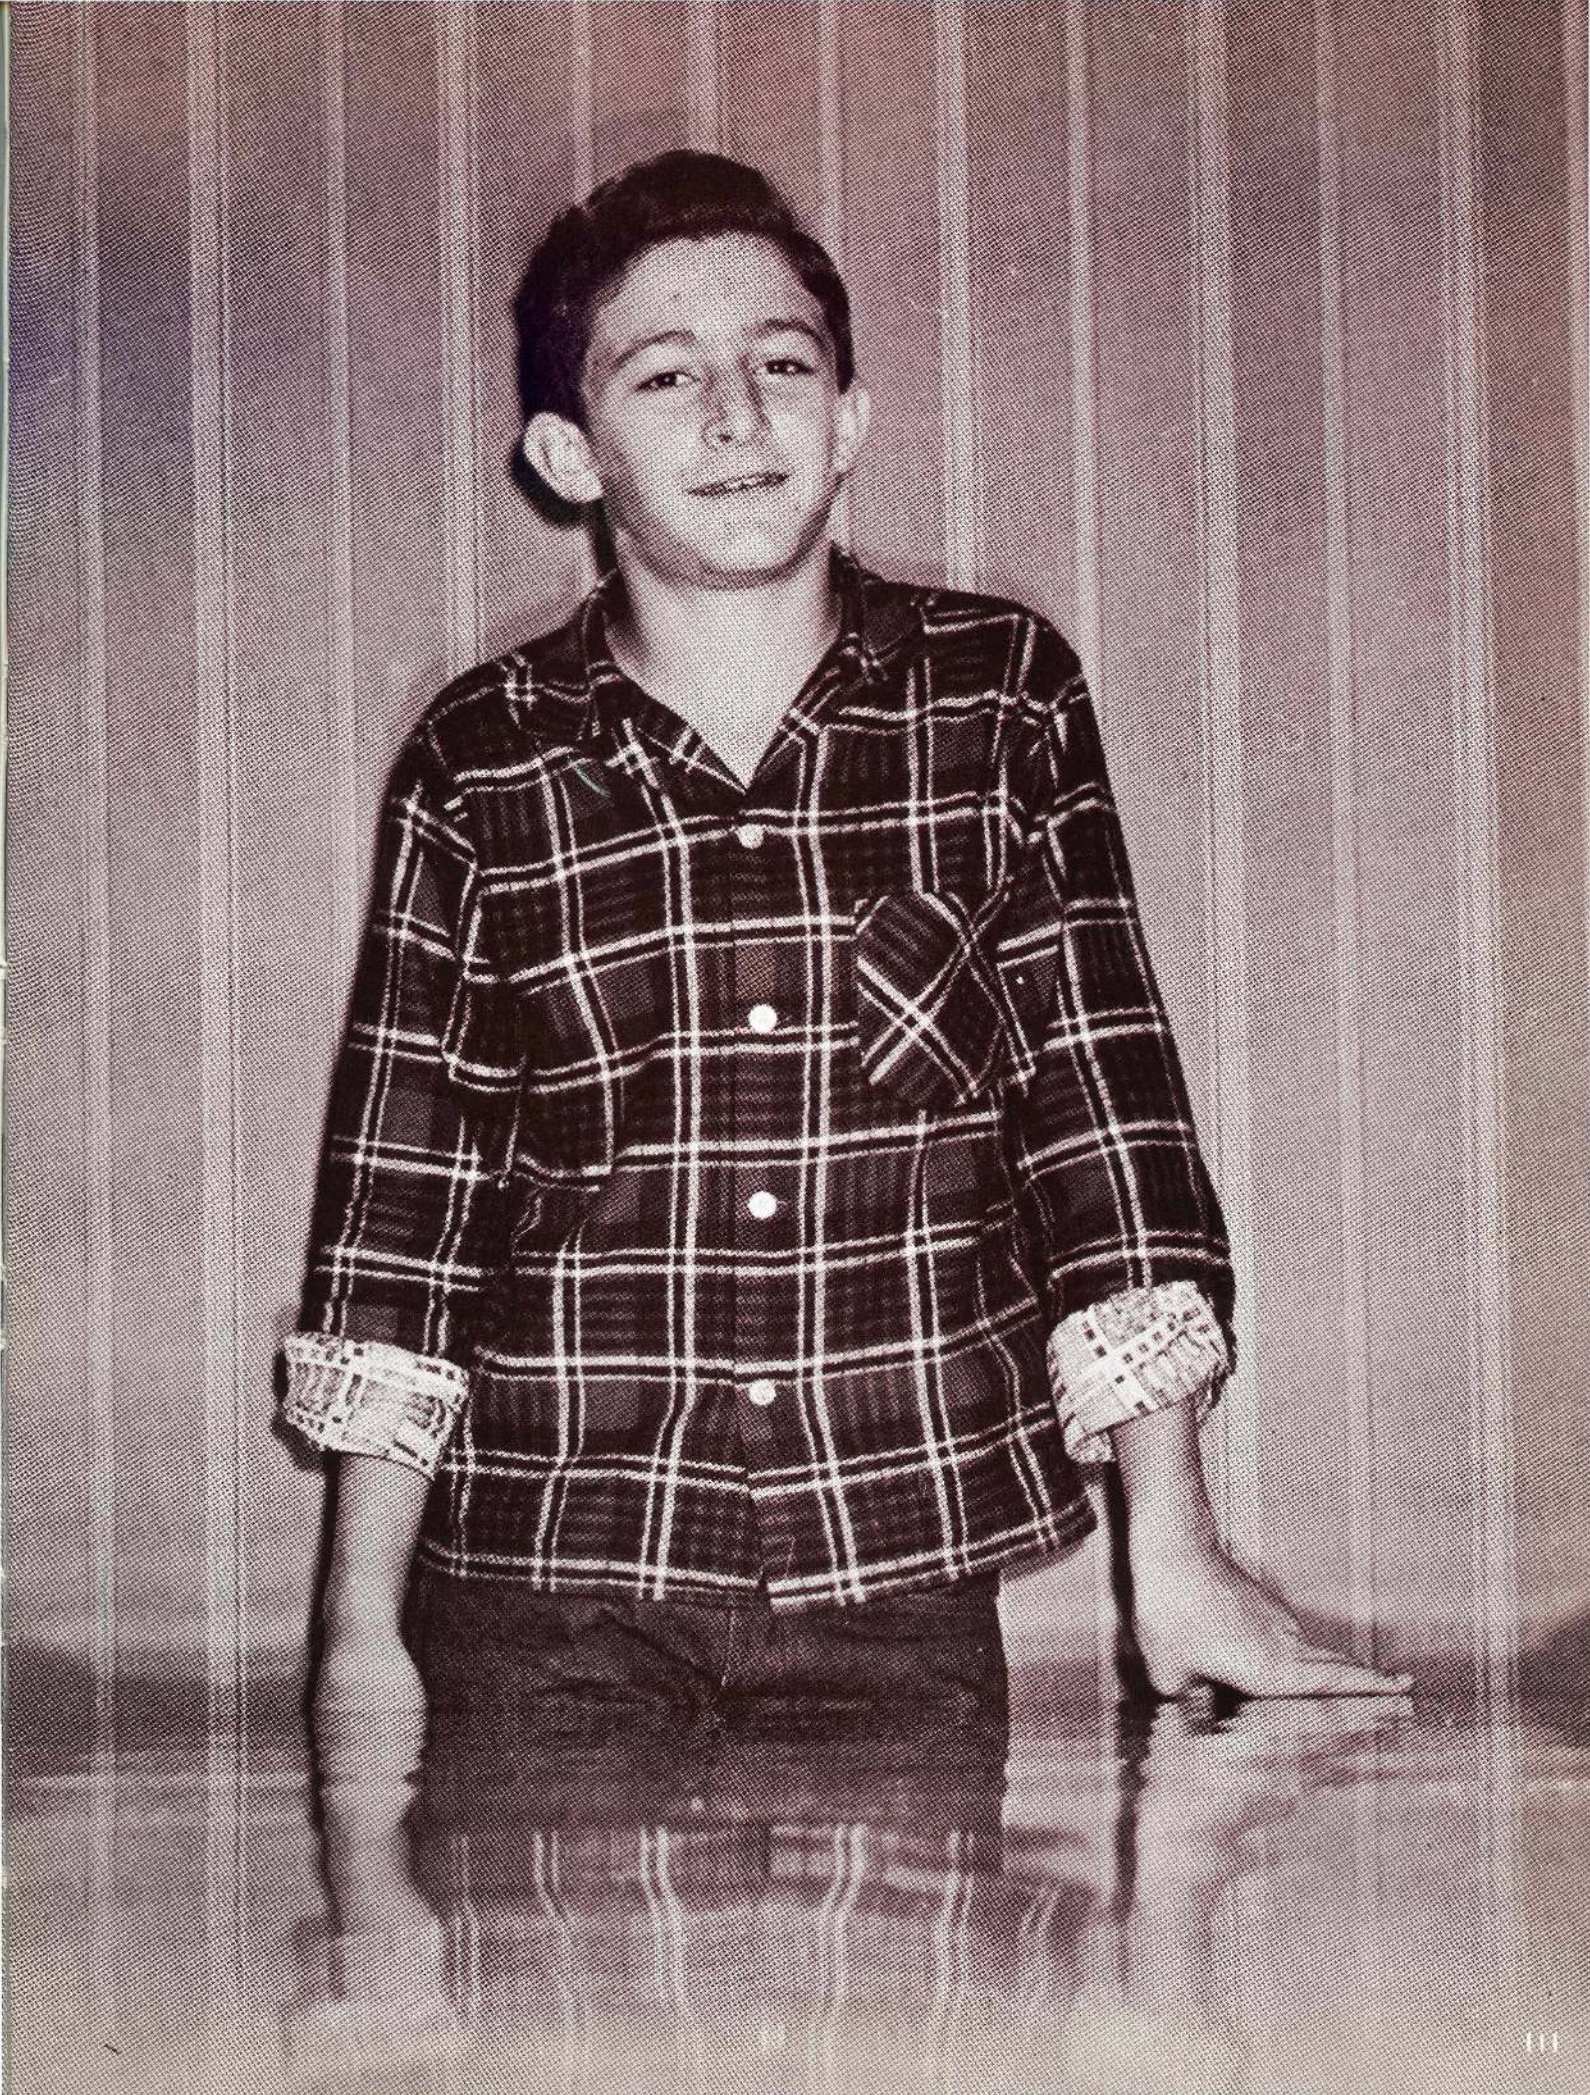

The girl must be an active member of the Girls' League, an organization open to all girls of the school. The actual choice for the award is made by the Faculty, based on their objective observations.

FROM—

THE STAFF

The TOMAHAWK STAFF of 1958-59 wishes to express their appreciation and gratitude to the Taylor Publishing Company for their attention, and their representative, Mr. Ken Davidson, for his assistance and guidance. We also would like to thank the students who were not on the staff but gave us a helping hand. Finally to those most understanding teachers who found it in their heart to give us a little extra consideration on DEADLINE DATES. To the students as a whole we hope you enjoy this volume in the way it is meant.
