If I was ever lost at sea, you'd be there, I know, to rescue me.

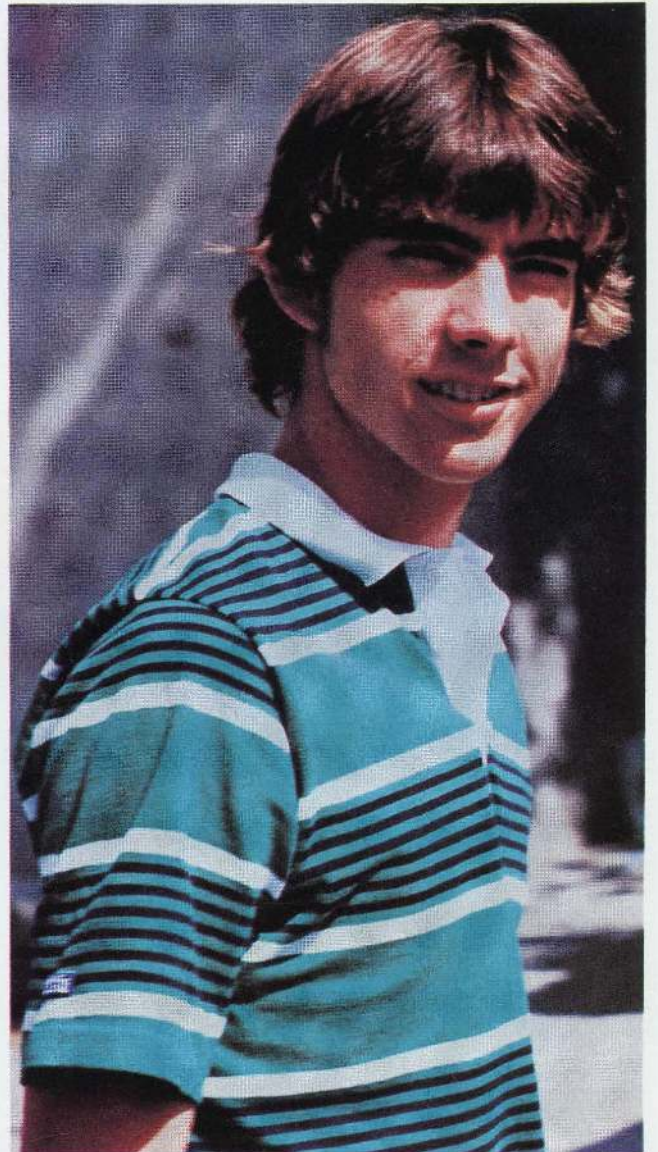

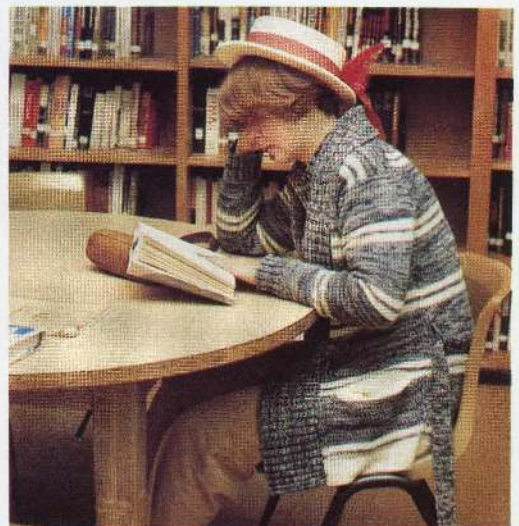

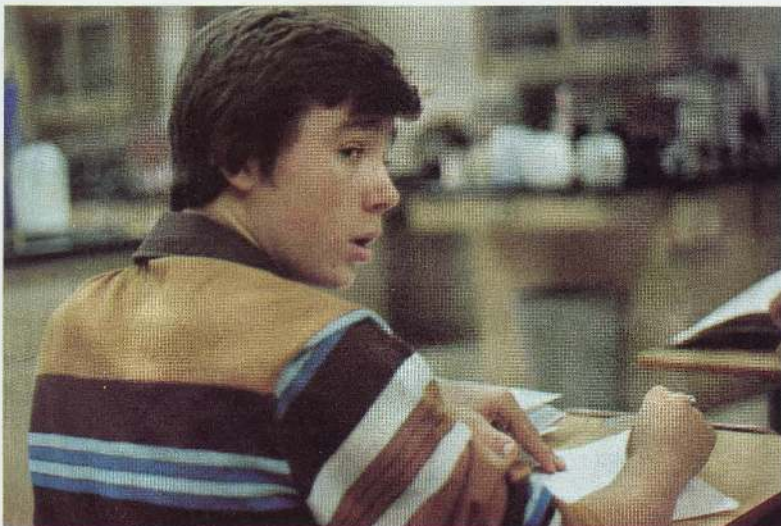

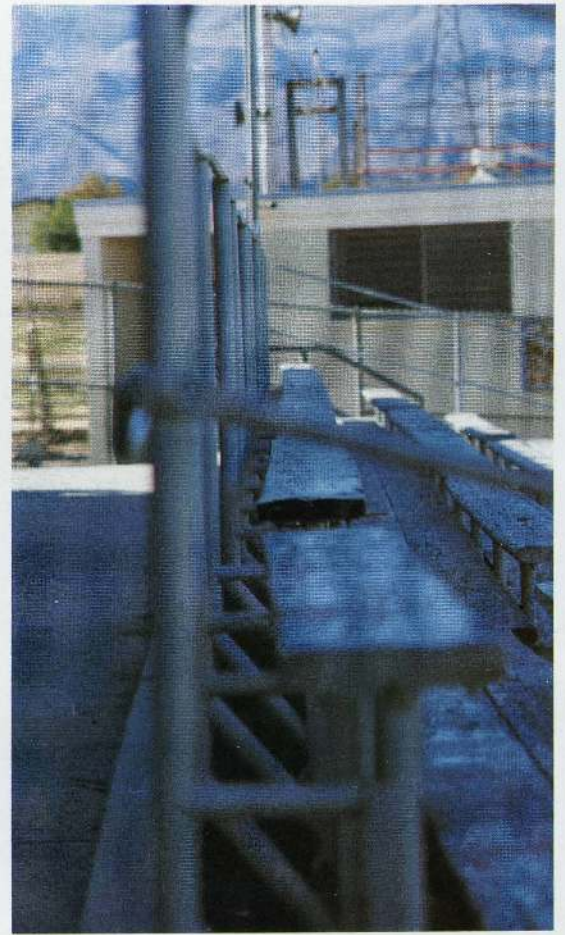

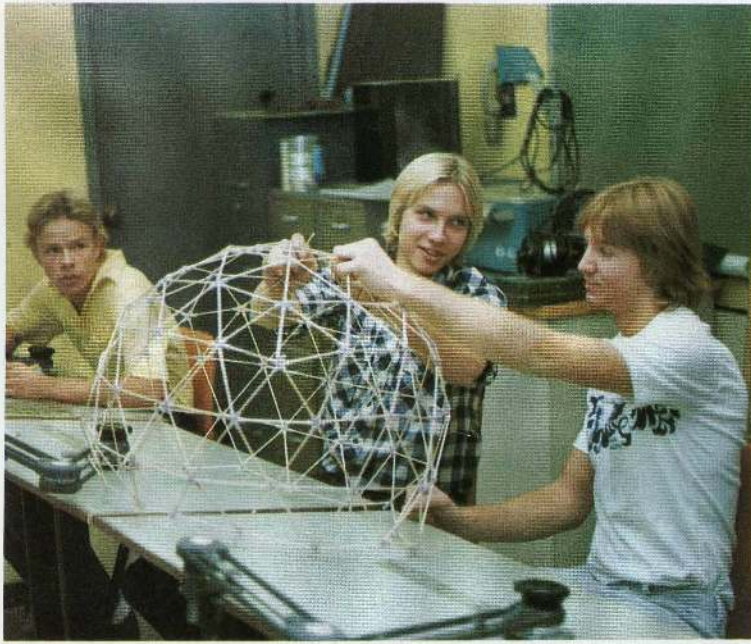

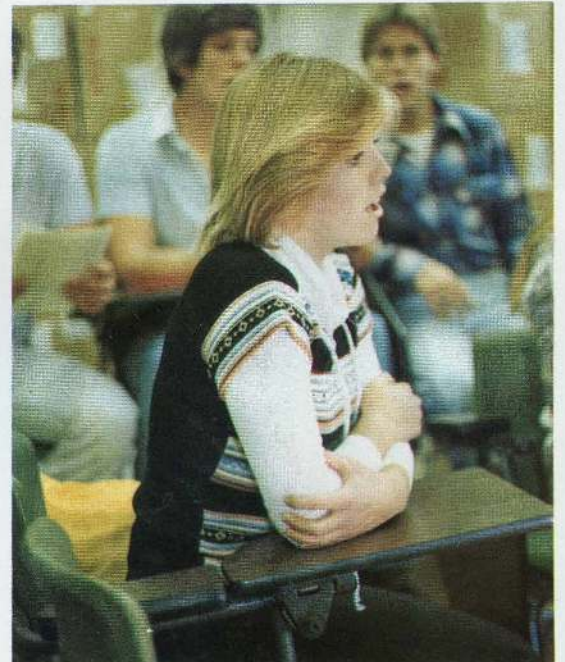

Stormy weather, or whatever, well,  
nothing can separate you from me.

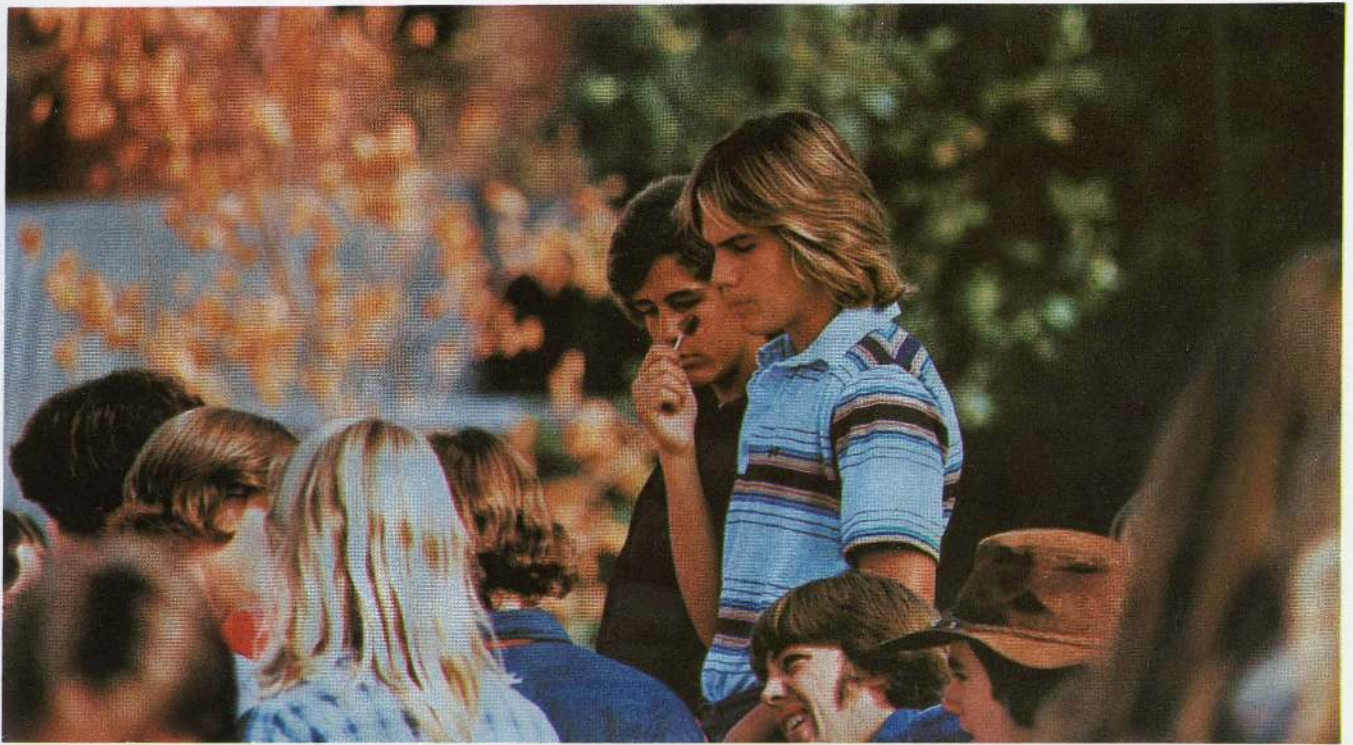

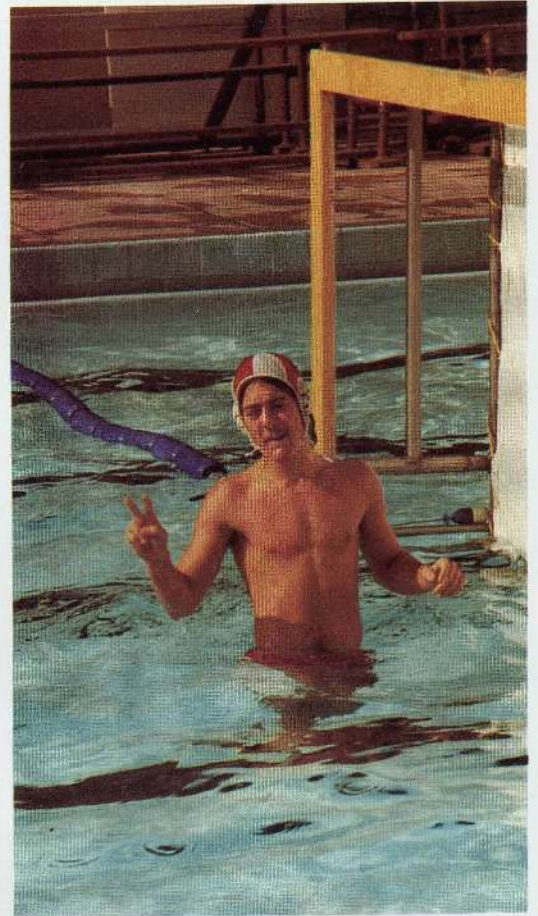

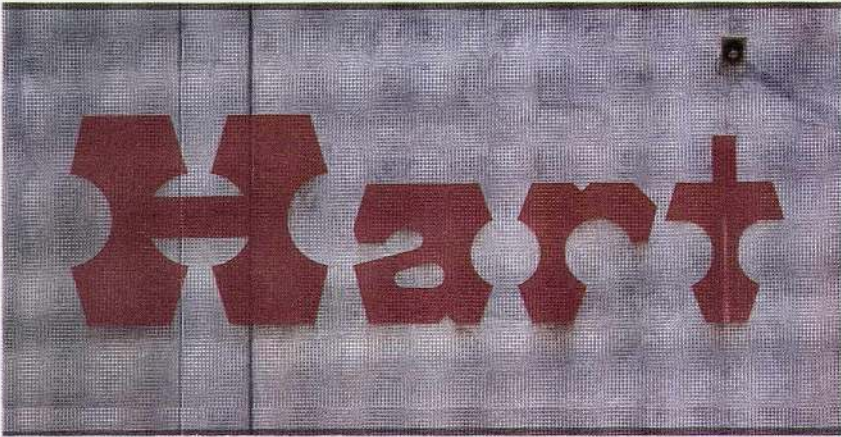

Well, if an earthquake split the  
ground, and I came tumbling down,  
I won't be afraid with you by my  
side.

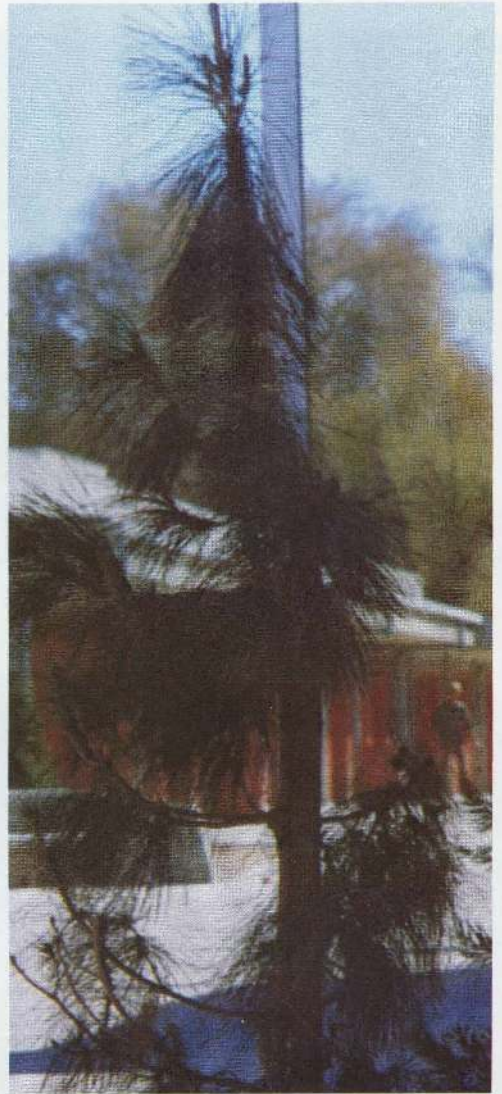

Oh, when I die, when I'm dead and  
gone, you'll be there, I know,  
you'll come along and rescue me.  
Some can write their feelings  
down in a song so smooth.

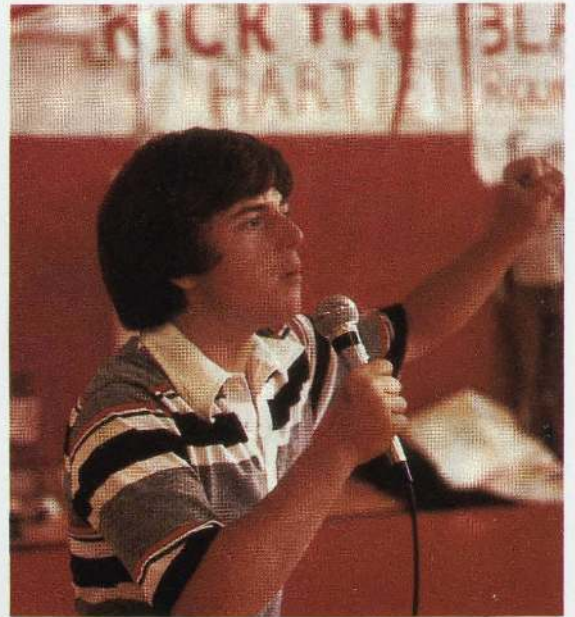

But for me to write about  
you, my friend, I've got-  
ta write 'em down so  
plain so I can explain

my love for you!

was within reach for the 1977 78 Sophomore Football Team with a record of 8-1. High spirits and enthusiasm helped the sophomores to defeat the Burros of Ridgecrest for the 1977 Sophomore Golden League title. Mr Ford and Mr Weil, the Golden League champion coaches, brought team unity along with experience that helped win so many games. As the season reached its end, the football banquet took place with the following award-winning players honored.

Most Valuable Player, Joe Jennerson, Most Inspirational, Steve De Seve, Most Improved, Steve Greaney; Most Valuable Defensive Back, Sid Gent, Most Valuable Offensive Back, Dana Provost, and the outstanding Defensive Player was Bill Fitzpatrick.

tacklers were seen on the field during the freshman football season. Under the coaching of Mr Peters, the team was very successful. Many promising players arose from the team and hopefully will be a part of a successful Varsity squad in a couple of years.

Alot of hard work and practice went into getting ready for the Fourth Annual Powder-puff football game against Canyon. Despite the large crowd, Hart realized that they just couldn't put it together for a win. Spirits were high, but Canyon was victorious.

and through the woods” could have been a pep cheer for the 1977 cross country team. Although this was not the most encouraging season, the team practiced hard and kept the Hart spirit alive. The boy’s captain was Tony Capitelli, and the girl’s captain was Lynn Davidson. The awards banquet was consisted of many awards. Most valuable runners were Tony Capitelli and Beth Howe. While the coach’s awards were given to Rick Rooney and Rita Gomez, the most improved runners were Mike Randal and Vicki Sudick. Rick Broman had an excellent season and was voted outstanding sophomore. Two runners, Beth Howe and Ron Bahara, placed fifth and sixth in league finals.

## Splitting Water-Polo

The 1977 Varsity Water-Polo Team was Hart's best squad according to Coach Barr. The team's record was 7 wins, 7 losses. Two of those losses were against some of the toughest teams in Southern California. Getting started in the first half seemed to be a problem. The team would get behind in the first half and then they had to struggle in order to come back and win, sometimes they couldn't. In the Canyon game, Canyon was on top 8-7, but the superior strength of the Indians rode the Cowboys to a 17-14 win, and that made the whole season worth while.

## Beauty, Brains, and Brawn . . .

all play a part in being a Hart High cheerleader, mascot, or songleader. Each of the twenty-four girls picked to lead the school in spirit needed beauty, a high grade, and muscles to perform.

Cheerleading required hard work and expert instruction. The girls added a lot of excitement to the football and basketball games. Red Smith backed up the cheerleaders in leading cheers, sparking spirit, and cheering on the teams as Yell King.

## Spirit Soars

This year's entire pep-squad was one big team. Many new ideas were created by them to add new spirit. The spirit tunnel, cake machine, and burial of the Canyon Students were many of the original ideas created by the pep-squad. The girls put great effort in putting together the brunch rallies and supporting all the teams. Hart won Spirit Night between Hart, Canyon, and Saugus — thanks to the cheerleaders. Among themselves the girls had a great time with their Secret Santas and Halloween party

put many hours of dedication into their work. During the football season the girls served the game meals every Friday. They planned Hoop-de-la. They worked putting together Sprolic Week which turned out to be a great success. These girls put a lot of time and effort building up the spirit of Hart High.

The first year for the Red Hart Peppers proved to be a smashing success. Aside from buying carnations for the teams at Hoop-de-la, baking cakes and cookies, and chanting at rallies, these girls cheered and supported the Varsity Basketball team, and even made a trip to Burroughs Ridgcrest. No one realizes the time, effort, and dedication each girl devoted to the group. Mrs. Leathers, the advisor, showed tremendous leadership which attributed to the Pepper's success this year.

# The Sprolic Trophy

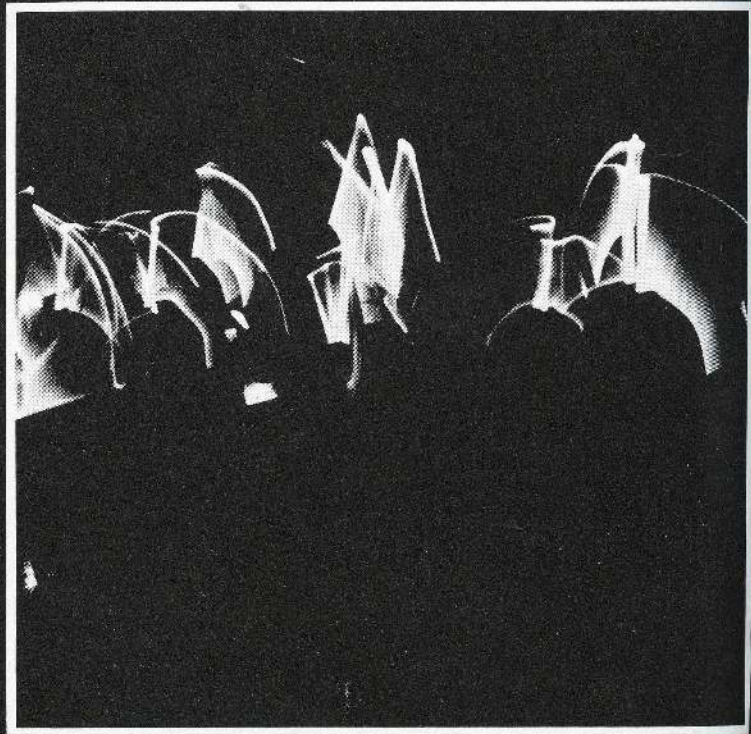

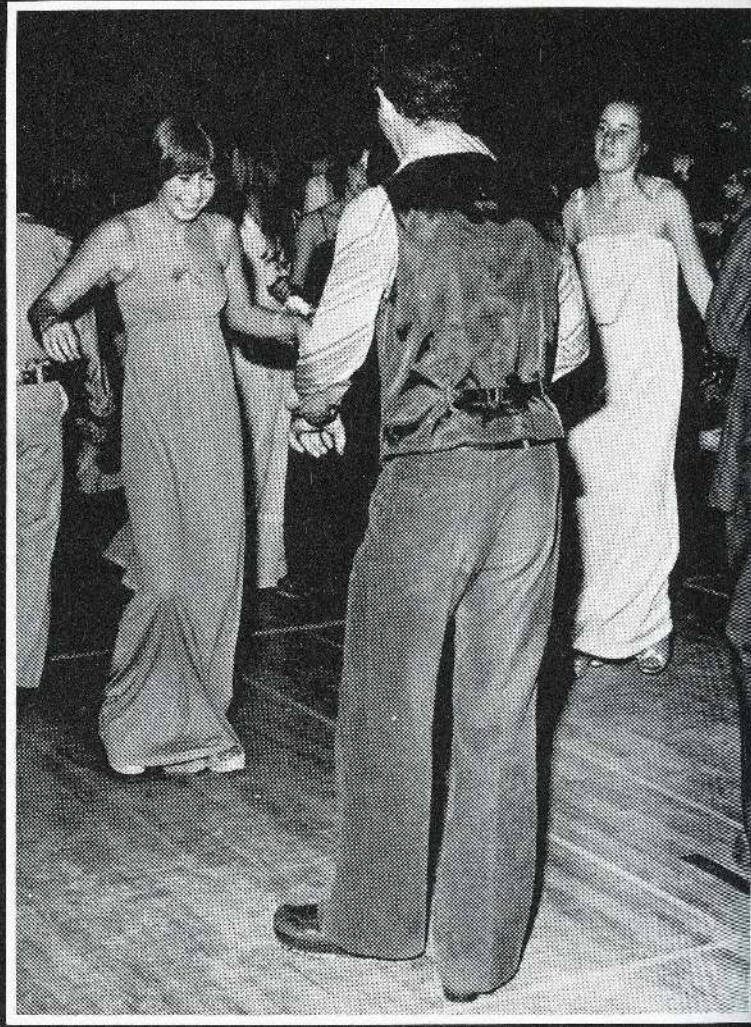

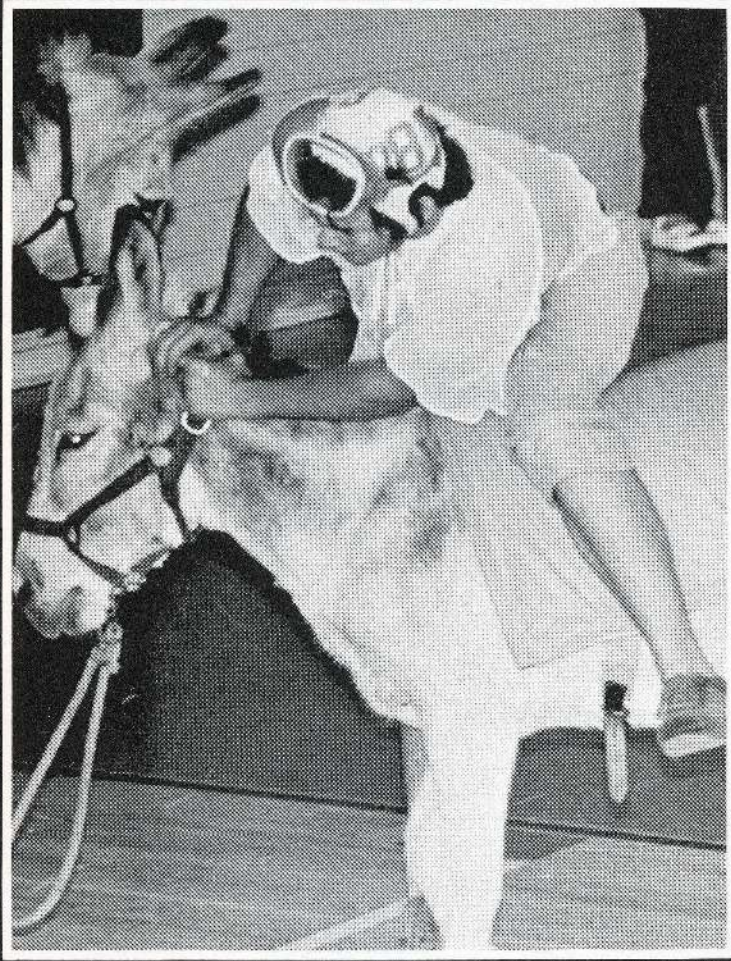

for 1977-78 was won by the freshmen class.

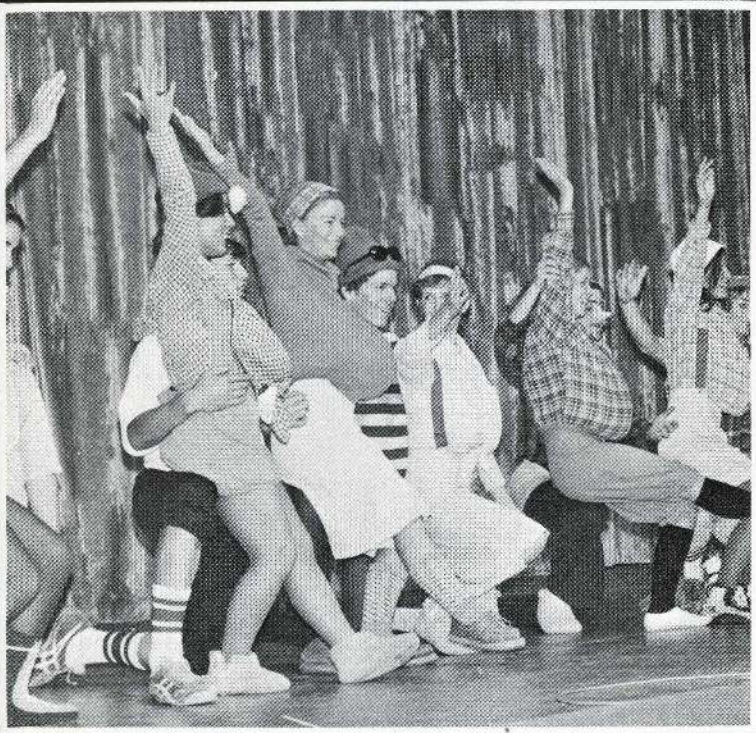

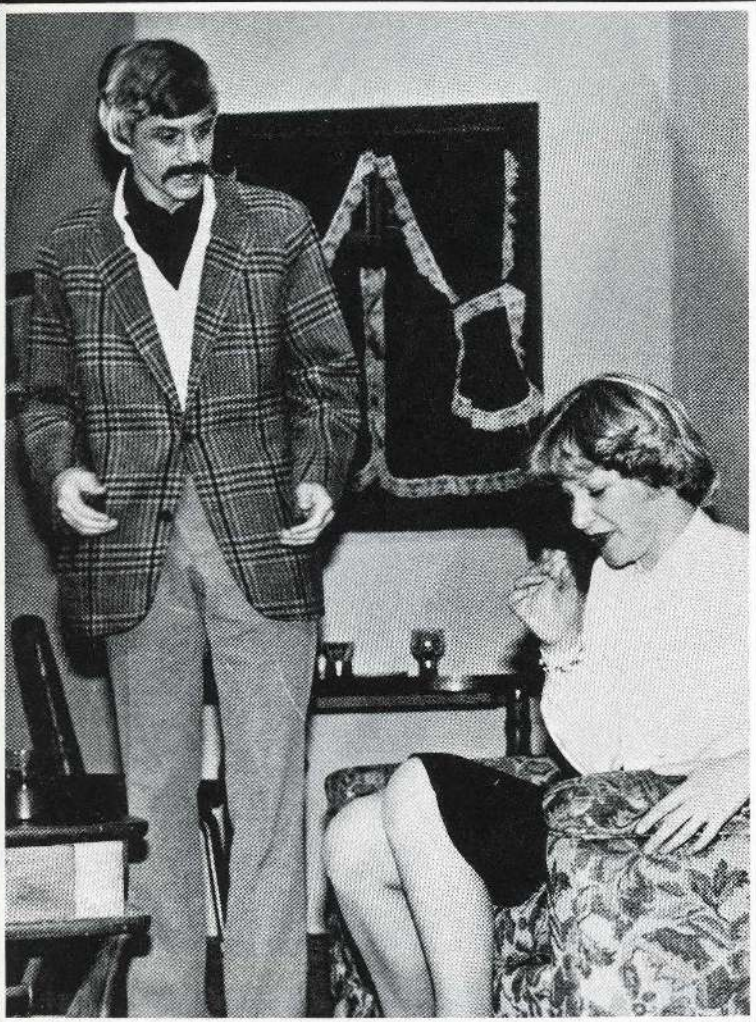

Miss Lee and the Spirit Squad members organized a very successful week. The VW stuffing contest was won by the tiny freshmen. The Seniors and Freshmen won the Almost Anything Goes event. There was a teacher auction sponsored by CSF in which \$150 was earned. To finish off an exciting week, there was a Gong Show in which all four classes competed. A lot of hard work was put into Sprolic Week, and it turned out to be a great accomplishment.

## A Touch Of Class

was the theme for the 1977 Homecoming. The evening started off with an exciting performance from the Marching Band, Drill Team and Flag Team. During halftime, The homecoming queen and king were crowned. The court consisted of Hara Britton, Cindy Franklin, Debbie Granger, Melinda Valles, and Ann Wrage for queen, and Dave Beswick, Gene Broman, Scott Hallman, Abdul Kassir, and Jamie Shields for king. From these ten candidates, Debbie Granger and Gene Broman were chosen queen and king. Another event of the evening was the class competition. Imagination and originality were hard at work as the classes created floats to attend the theme of homecoming. A touch of Senior class proved outstanding as the class of '78 was voted the proud winners. Although spirits were high and the team was fired up, Palmdale proved the stronger team. After the game, although Hart lost, students and alumni alike attended the after-game dance until midnight, ending a very classy homecoming '78.

- 2 Ann Wrage hugs Scott Hallman as her bouquet is delivered to her.
- 3 The seniors displayed artistic ability in their winning float.
- 4 Dave Beswick and Hara Britton were two of the ten on the Homecoming Court.
- 5 Abdul Kassir and Cindy Franklin were a glamorous couple.

## Old School Days

were relived by parents of Hart students at Back to school night. Parents gathered in the quad to begin the night with a friendly welcome from Mr Hanigan, school principal, and an outstanding performance by Hart's Band and Drill Team. Soon the bell rang, signaling the start of first period Teachers introduced themselves and their subjects, and, after all six periods were complete, everyone met in the cafeteria for coffee and scrumptious cookies made by Mrs Wolter's cooking classes

## Six Flights Up . . .

in a dingy brownstone apartment, newlyweds Corrie and Paul Bratter try to cope with broken heaters, snow storms in the livingroom, a collection of crazy neighbors, and one irrational mother-in-law Mr James Seely directed an outstanding performance of Neil Simon's comedy Barefoot in the Park, with spirited portrayals by Cindy Szymanski, Kevin Miracle, Cathy Kelly, Martin Cawley, Andy Evans and Steve Malin.

## Rain . . .

dampened the clothes but not the spirits of those attending the winter formal. The gym offered a background for an enjoyable evening. Refreshments and the coat room were maintained by members of the Students League. Gina Theroff, who crowned the queen in 1976, was crowned Queen of the Winter Formal. Charles Ingram was named King. After the dancing ended each couple left to enjoy the rest of the evening in their own way.

## Superb Sound

was brought forth by the Chieftains and the Sound Vibrations at the ninth annual T.B.A. The evening started with the Chieftains playing jazz and contemporary music. Directed by Mr. Larry Thornton they gave a great performance. Their solos in the show presented the professional ability the Chieftains possess. The Sound Vibrations, directed by Mr. Robert Babko, entered to give their own outstanding performance. The soloists, like Leann Johnson, Vicki Kemsley and Ken Grassel, did a fantastic job which brought a highlight to the evening. They sang popular songs and some original songs written by Mr. Babko. To top the night off, the Chieftains took the stage once more. The two best drummers here at Hart, Alan Layh and Jim Sipotz, gave a great display of their talent in a drumming expedition.

## Bright Lights

and lasers highlighted the annual Hoop-de-la game. At half-time, the flag team marched, twirled, and flashed their lasers to the theme from "Star Wars." The Spirit Squad organized the night's festivities. Members of the Spirit Squad are Suzi Miller, Lynn Davidson, Lisa Ulrich, Hope Fernandez, and Hillary McElhancy. The Indians defeated Burroughs 60-56 to even their league record at 5-5. Hart was led by Corey McMullen with 13 points and Gary Peters with 12 points in the fourth quarter.

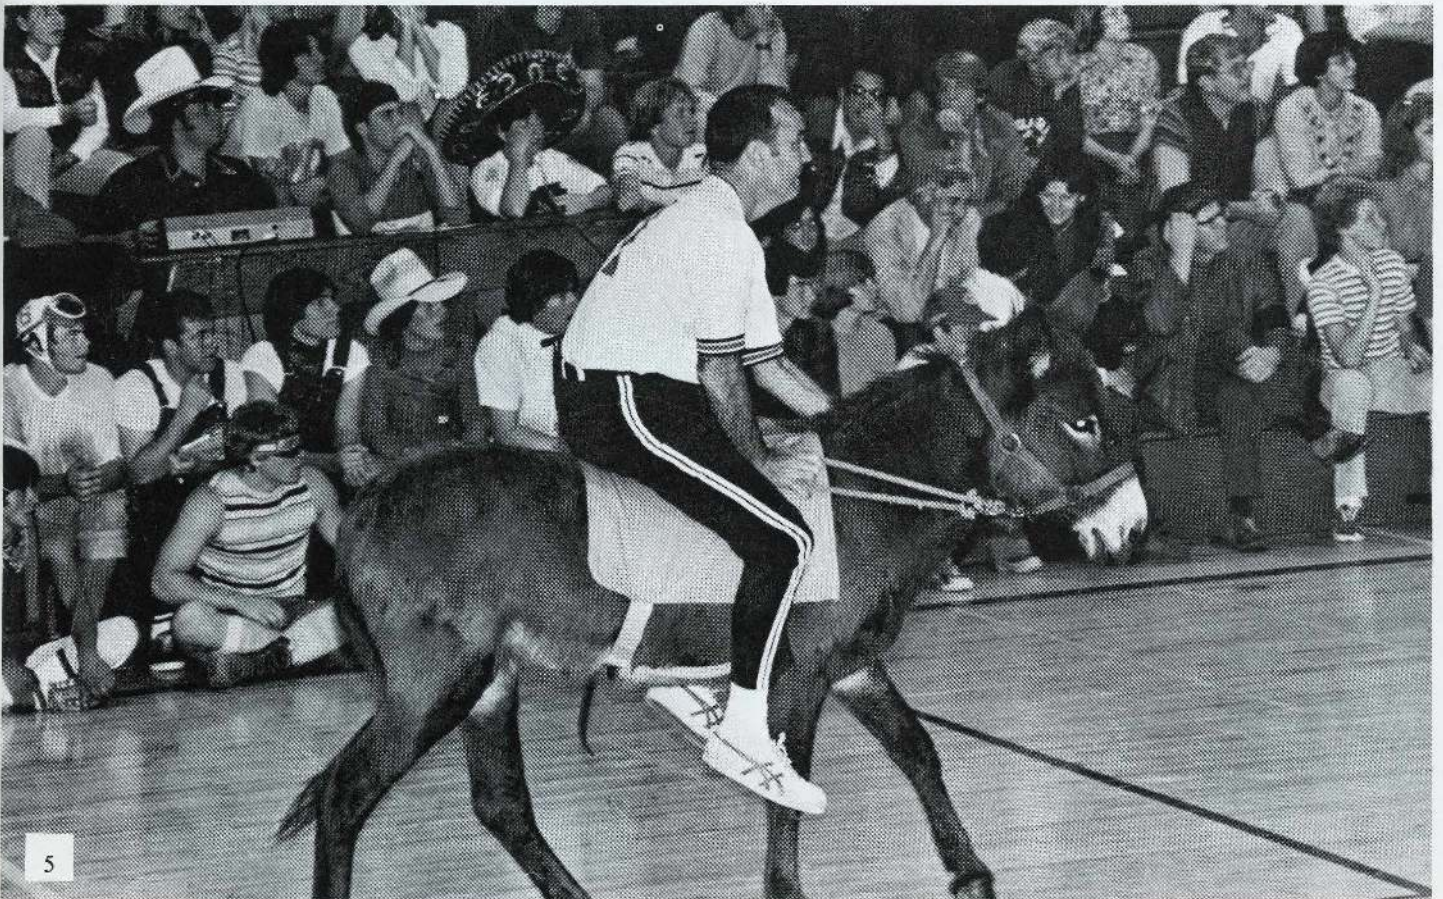

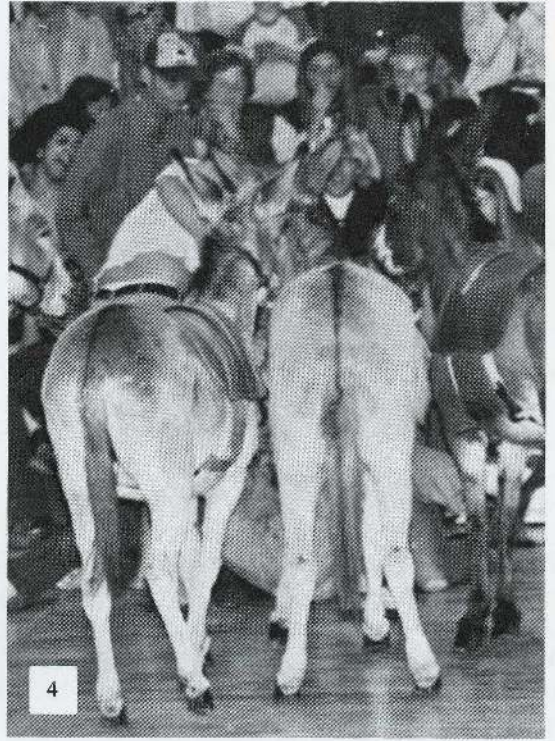

# Uncoordination

plagued many players during Hart's annual Letterpeople vs. Faculty Donkey Basketball game. As in the past, many strange looking individuals showed up wearing some very outrageous costumes. The game was an outrageous one in itself. Students and Faculty both found that the donkeys were not terribly cooperative, and many people, namely Coaches Aldrich and Peters, found themselves bucked off and on the ground during most of the game. Some players were exceptional donkey handlers and therefore scored well. Ray Greenlee and Dee Watkins scored many points that led to the students victory over the faculty, 28-16.

## Living

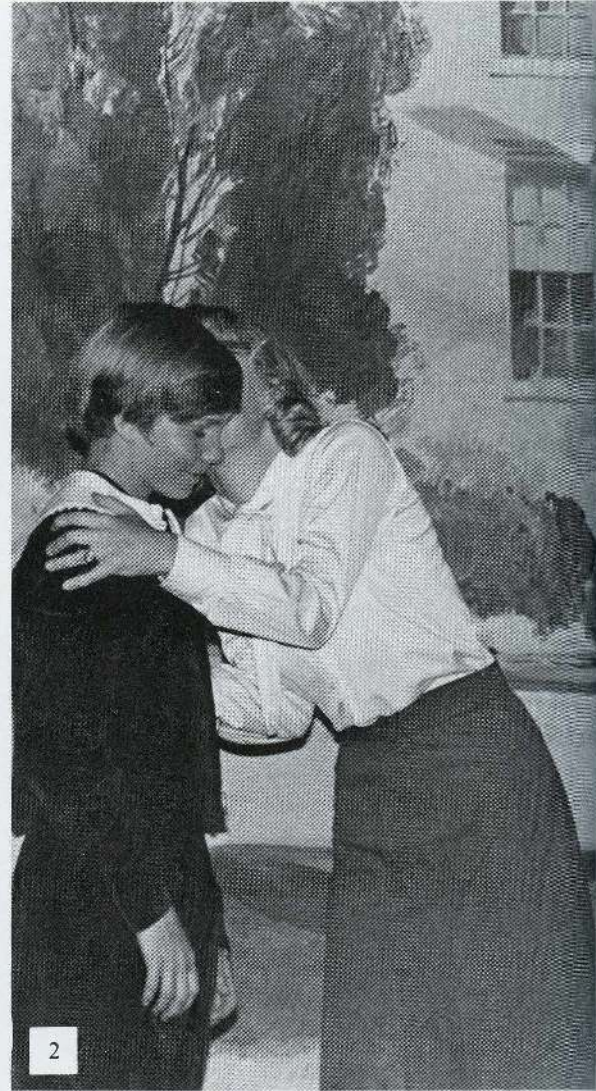

is what Mame's all about. The Spring Play, "Auntie Mame," performed on May 11, 12, and 13, tells the story of an eccentric and vibrant lady, portrayed by Cathy Kelly. Auntie Mame spreads her love of living to many others as she endeavours to raise her young nephew Patrick (Todd Schnelle). She makes her way through numerous friends (Cindy Szymanski), lovers and husbands (Glen Noler, Kevin Miracle, and Mike Light), and acquaintances. One of those acquaintances, Agnes (Cathy Loeb) Gooch, takes Mame's philosophy and has a wild fling on the town for which she is later rewarded. Mame's life runs in pleasant circles, for in the end she sets out to bring the spirit of living to her young grandson Michael.

1. Peegan and Patrick discuss their son's future. 2. Mame and Sally Cato talk about Beau and their pasts. 3. Beau proposes to Mame. 4. Mame calls for help. 5. Vera meets Patrick. 6. Patrick reads a letter from Auntie Mame.

The court consisted of these classy individuals, Jeff Bugbee, Scott Hallman, Danny Hetzel, Rick Fox, and Jeff Mckinney, and Karen Berens, Cindy Franklin, Betsy Myers, Melinda Valles, and Ann Wrage. ## Endings And Beginnings . .

all became apparent to the class of 1978 at the Hart High graduation ceremony. The graduates received their diplomas on June 15, 1978.

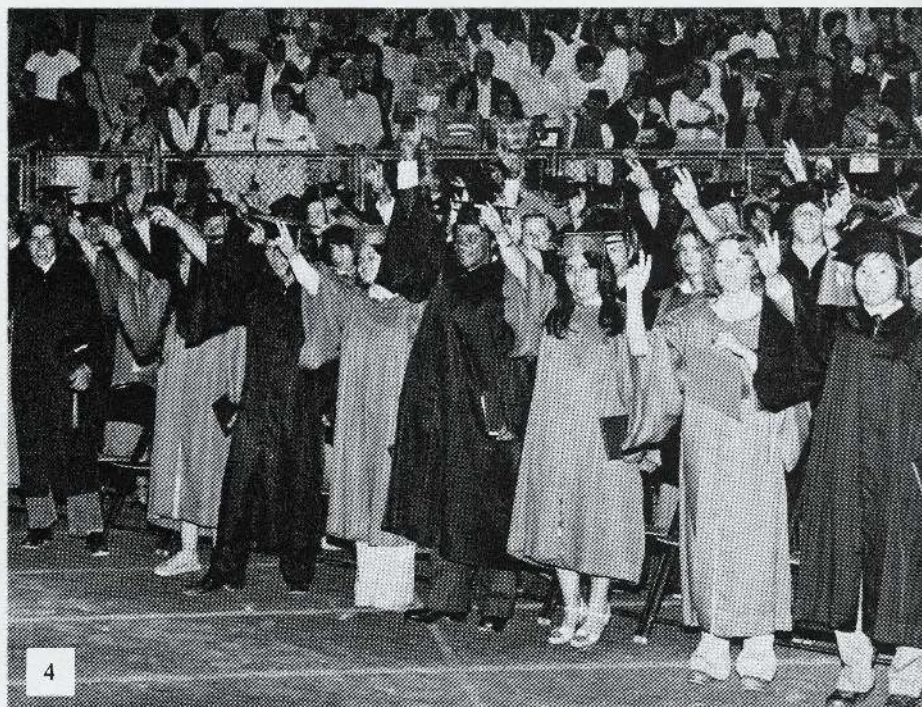

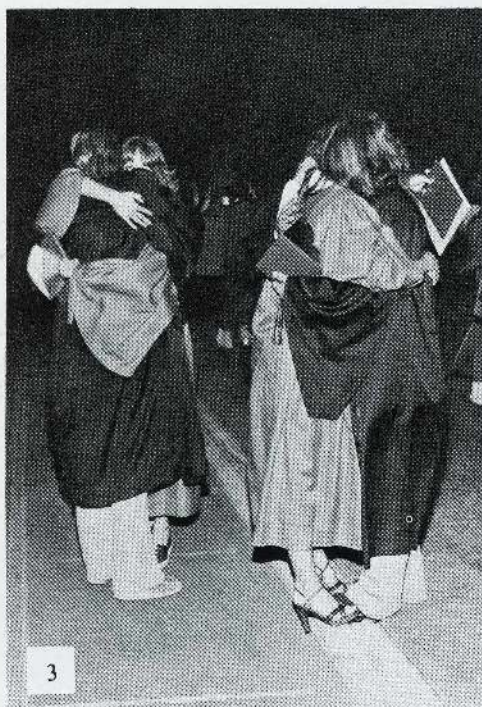

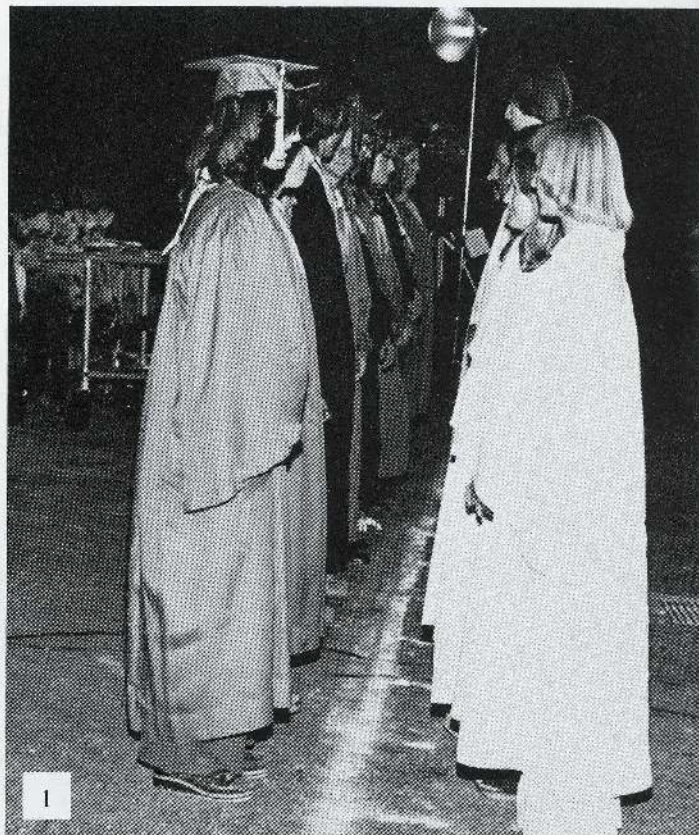

Speeches were given by Hillary Mc Elhaney, John O'Shea, And Robert Ivie. These speeches reflected on the three hard, but memorable years these students had experienced at Hart High, but they were also full of ideas and hopes for the future. The class of 1978 will go their separate ways, but they will always remember William S Hart High, just as Hart will remember them.

## Loved And Cherished

are many teachers, administrators, and faculty who all dedicated years of hard work and devotion to Hart High and its students. However, often, these friends' time at Hart ends. Yet, their memories and educational abilities will stay in our minds forever.

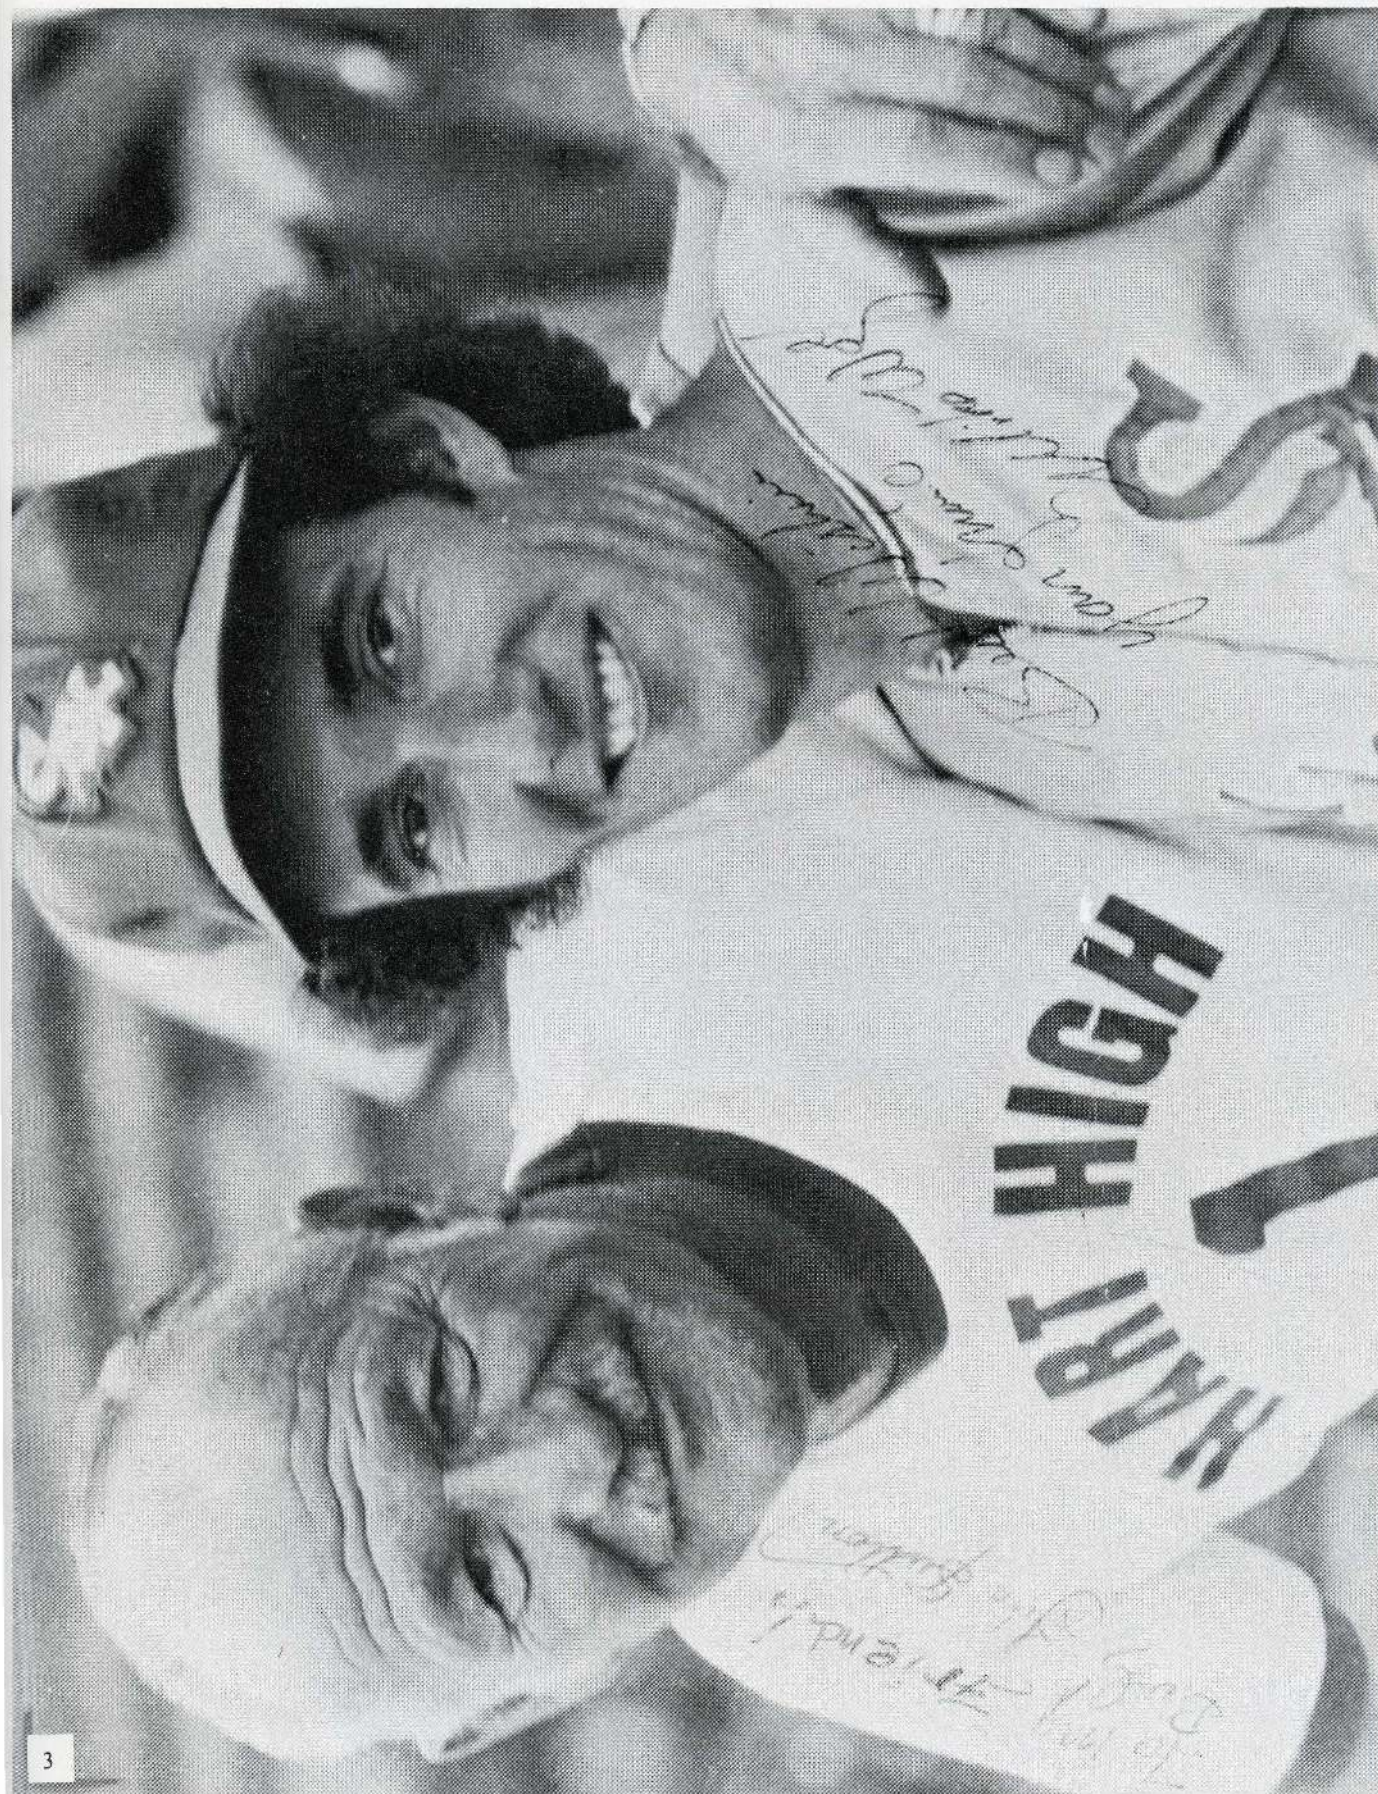

Vernon Swindall, pictured below, devoted twelve years, 1965-1977, to the education of Hart's students. He was the chairman of the Social Studies Department, and taught science, also. He passed away in September of 1977. Eventhough he left this world, he left behind the loving memory of a dear friend and brilliant man in the minds of thousands of students.

A new senior quad was erected in the middle of school. This quad, composed of grass, trees, and benches, is enjoyed by all the students at brunch and lunch as a lounging area.

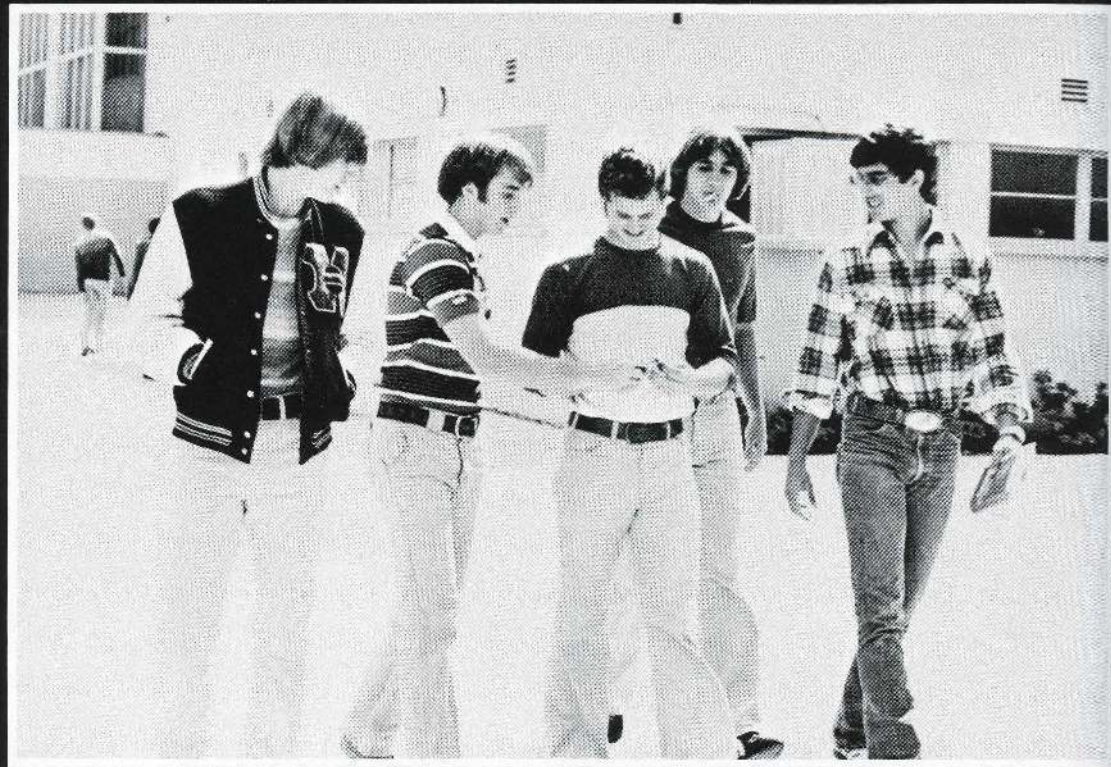

Another friend of all the students is Jim Sutton. Mr. Sutton did not just teach social studies, but helped students to grow into good citizens. He was also an avid baseball fan and dedicated many hours towards Coach Murray, the players, and the spectators. Jim Sutton announced the home games and traveled with the team to most of the away games. In the picture on the opposite page, the photographer captured the true love and friendship between Mr. Sutton and his friends. His friendship is neverending as it is to the ex-Hart ballplayer Mike Wolf.

## A Young Group

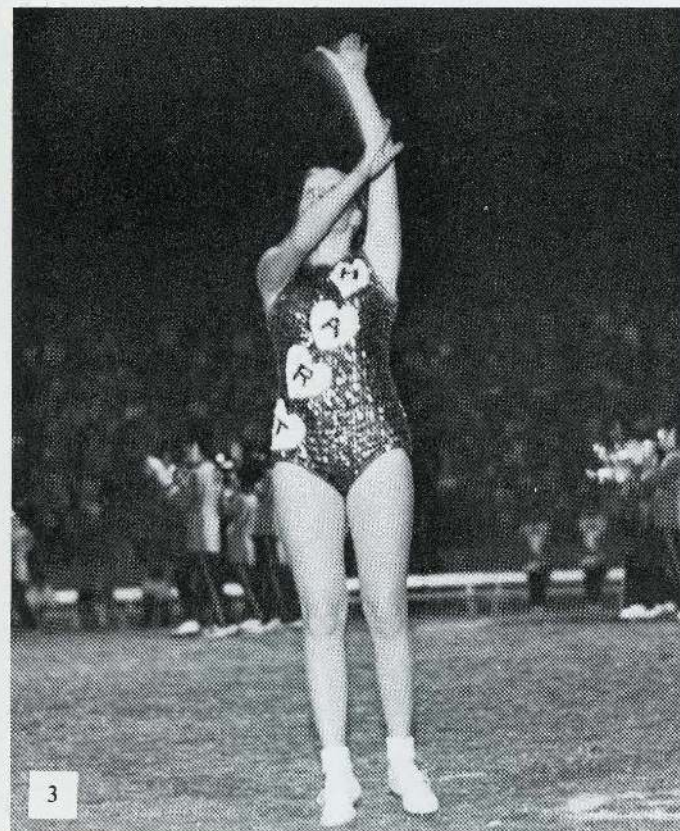

made up the 1977-78 Hart High Marching Band. The vacant spaces left by the previous years' seniors were filled by little-sized, but tremendously talented freshmen and sophomores. The marching band performed many truly outstanding halftime shows and never failed to amaze an awaiting audience. The Marching Indians, under the direction of Mr. Larry Thornton, and Drum Major Chris Gehrke, were also very successful at halftime competitions. At the West Covina halftime competition, the band was awarded a 2nd place trophy along with the overall best music award. At the El Camino Real halftime competition, they also received the best music award.

In addition to performances and competitions, the band also spent one Saturday a month working GAP (glass, aluminum, and paper) drives in order to make enough money to purchase new uniforms for the next school year. One of the big highlights of the year came on Santa Clarita Valley Night when the band got to show their outstanding talent in front of thousands of people at Dodger Stadium. It was truly a year of learning and growing- A musical year to remember.

# Flashing Colors

decorated the football field thanks to the hard work and dedication of the Hart High Flag Team. Under the direction of Mrs. Lori Huenink, the flag team performed at every home football halftime along with the Marching Band and Drill Team. The flag team prepared many exciting routines, some of the most popular being "Bugsy Malone" and the flashy light show to "Star Wars". The flag team and twirling flags took these exciting routines to various competitions and received many notable awards. At the Tournament of the Champions halftime competition held at Chaffey College, the flag team took 1st place overall. The twirling flag team, consisting of 8 members, was also very successful, capturing a 2nd place at Saddleback and another 2nd at the Miss Drill Team U.S.A. competition. Both teams did an excellent job of entertaining people all year long, a trait that holds true of all the flag teams of the past, and most certainly of the future.

# Dance

was the new style of the 1977-78 Hart High Drill Team. The team was a very special one, possessing a unique talent for exhibiting dance techniques, and the ability to put together exciting routines in order to please audiences at football games, rallies, and competitions. The team consisted of 16 members, smaller than previous years. Mrs. Pat Cheek worked very hard with the girls all year long.

Besides just drilling together, the team grew together and learned how to put up with and work with others. It was a year of hard work- but the experiences that were shared made it all worthwhile, fun, and rewarding.

whole notes, and quarter notes set the pace for the Chieftains and the Braves stage bands. As a tribute to the past annual Battle of the Bands, held in the Hollywood Bowl, the Chieftains were asked to perform at the honorary banquet because they had won the competition the most. The success of the bands must also be given to the bandleader, Mr. Larry Thornton.

## Musicality

pervaded all of the many choral performances making each a very enjoyable experience for the audience as well as for the singers. Robert Babko, an exceptional director, brought unity to each individual chorus group. All of the choruses strived to display their emotions in any music, whether it being popular music or more "classical." These groups brought music to life as they sang at festivals as well as their concerts here at Hart.

were honored at Hart for setting fine examples for students on campus. Two of these groups were C.S.F and The Spanish Honor Society. This was the first year for the Spanish Honor Society, consisting of students that received outstanding grades in Spanish

C.S.F was very active in 77-78. Miss Thomas took over as the new advisor. The group sponsored many activities including a teacher auction and a record and tape sale in order to raise funds for scholarships. The group also took time out from money-making to take their annual trip to Disneyland — Just for fun

Hart

was the scene of many different activities throughout the year that were somewhat different from the normal school work. With filming going on at different times students had the opportunity to watch professional show business. Also during the year, landscaping of the new buildings was finished. The circle in front of the gym was dedicated to a benefactor of the district.

## 177 Pints

of blood collected in the Hart High bloodmobile set a new Southern California record. The bloodmobile held at Hart is always a big success due to the enthusiasm of students to help others. 20 team captains rounded up dozens of people to give up pints of blood so it could be contributed to those who needed it. The Medical services group under the direction of Mrs. Samuels assisted in the activity. The bloodmobile went very smoothly — it showed how much heart Hart people really possess.

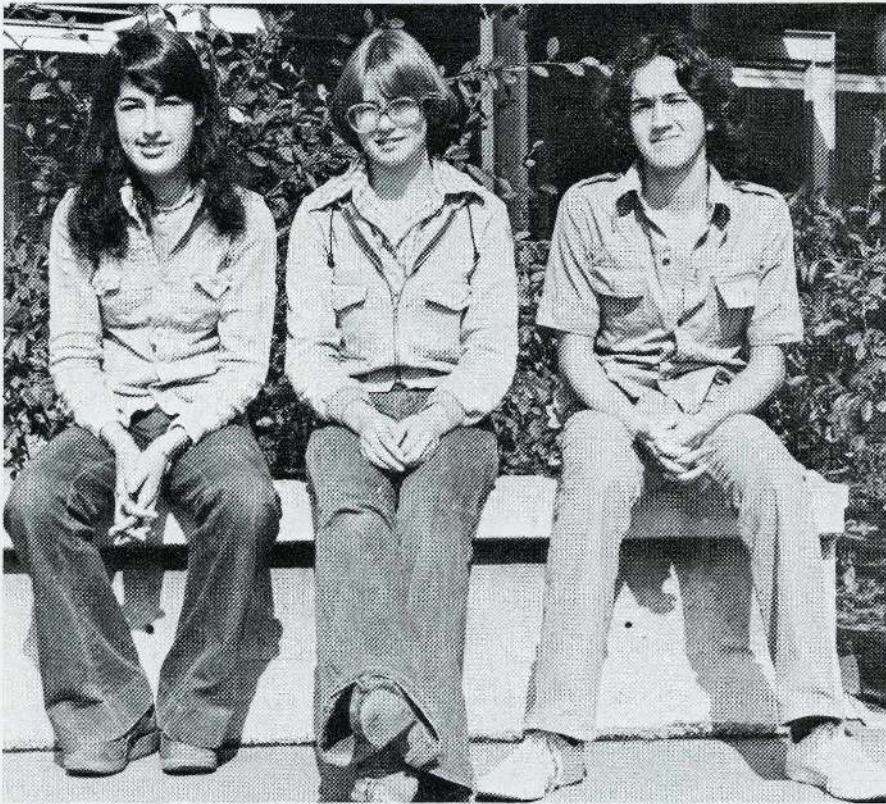

## Special People . . .

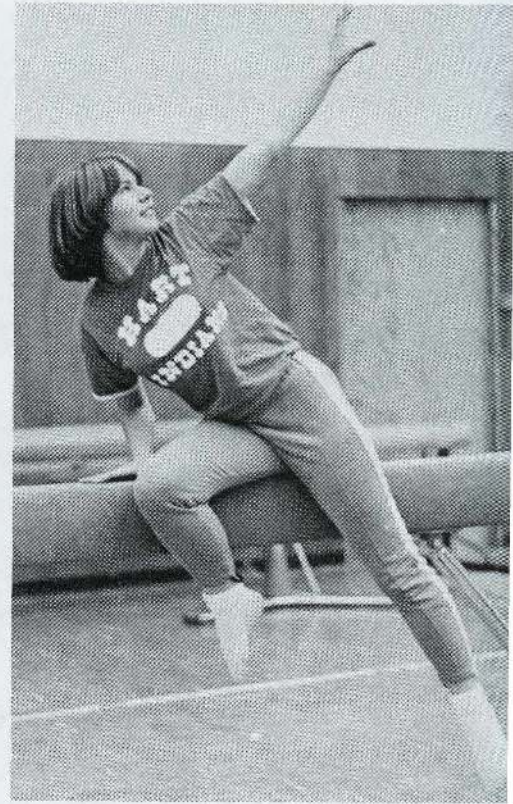

this year included foreign exchange and letterpeople. In the picture below, Marcia Maia from Brazil, was able to experience her first trip to the snow. She was very impressed as it does not snow in her country. Sitting in the middle is Annalie Nederberg from Sweden. She was on this seasons girls gymnastics team. And third is Jorge Tafurt, from Columbia, who enjoyed Hart's art classes. These are only a few of the examples of their accomplishments during their stay in America. Harts students also had the opportunity to travel to Europe. Karen Klein, a junior, spent the year in Germany. Sherrí Sloane, also a junior, will stay in Denmark this summer for a five week exchange program. Also, a few seniors will join many other schools in a thirty day Europe trip. The Varsity Letter clubs were spirited this year. A prime example of their contributions was the annual Donkey Basketball game in which the lettermen and lettergirls fought a victorious game against the faculty.

## Friends

was the basic theme of the 1977-78 Tomahawk. It was based on the idea of bringing to mind old friends and classmates of Hart High. Extra hard work and training was involved for the three returning yearbook staff members in order to train a new staff, deal with a new yearbook company, and break-in a new high school advisor. All of the four facets merged together quickly and produced a book worthy to be called "Tomahawk."

They were often seen in their Cushman carts around campus or cleaning up after the many activities held at Hart, but always had a nice, friendly smile and cheerful word for everyone around.
