SYNOPSIS

IN BRINGING before the photoplay public again, the popular American comedian, Victor Moore, The Jesse L. Lasky Feature Play Company presents the two of a series of comedy photoplays based on the character of E. W. Townsend's Chimmie Fadden. Mr. Moore's third Paramount Vehicle is "Chimmie Fadden Out West", said to be a fitting successor to the very entertaining production, "Snobs" and "Chimmie Fadden."

Chimmie Fadden is a character of American literature likely to live as long as Tom Sawyer or other famous youths of fiction. Chimmie is city bred. He is a product of the bowery, with all the instincts and mannerisms of the city ragamuffin, whose vision of life is limited by sky scrapers and stone pavements.

What happens to Chimmie when he goes to the far West, becomes a mining prospector and tries the simple life is most interestingly told in "Chimmie Fadden Out West."

Mr. Cecil B. De Mille, Director General of The Lasky Feature Play Company is the producer of "Chimmie Fadden Out West."
