Hail to California, Alma Mater dear—
Sing the joyful chorus,
Sound it far and near
Rallying 'round her banner—

Spreading light and goodness over all the West,
Fighting neath her standard—
We shall sure prevail—

ALL HAIL BLUE AND GOLD

All Hail Blue and Gold, thy colors unfold,
O'er loyal Californians whose hearts are strong and bold.
All Hail Blue and Gold, thy strength ne'er shall fail
For thee we'll die All Hail, All Hail

All Hail Blue and Gold, to thee we shall cling
O'er golden fields of poppies, thy praises we will sing
All Hail Blue and Gold, on breezes ye sail
Thy sight we love All Hail, All Hail

FIGHT FOR CALIFORNIA

Our sturdy Golden Bear
Is watching from the skies,
Looks down upon our colors fair
And guards us from his lair
Our banner Gold and Blue
The symbol on it too
Means fight for California,
For California through and through.

PALMS OF VICTORY

What will we do with the Stanfordites
On that great day!

We'll celebrate them on that night
After we play

We now declare our hoodoo s gone—
Victory is here.

Hit em again boys, Hit em again, boys!
Harder!

chorus

Palms of Victory Palms of Glory

Palms of Victory we shall win.
For Cali-California

Palms of Victory Palms of Glory

Palms of Victory we shall win.

How do you think we'll feel that night?
Anything but cross

What'll the red-shirts have to say
After their loss?

Fill then a bumper to the brim,
For we have won.

Do it again boys Do it again boys
Often.

(Repeat chorus)

President Clark Kerr's Message of Welcome

I am happy to welcome students and alumni from all campuses to these traditional All-University Week End festivities. This yearly "gathering of the clans" gives Bears and Bruins, Aggies, Gauchos and Highlanders a chance to renew old friendships and to make new ones with fellow Californians from all parts of the state-wide University. May you all have the best possible time together.

CLARK KERR

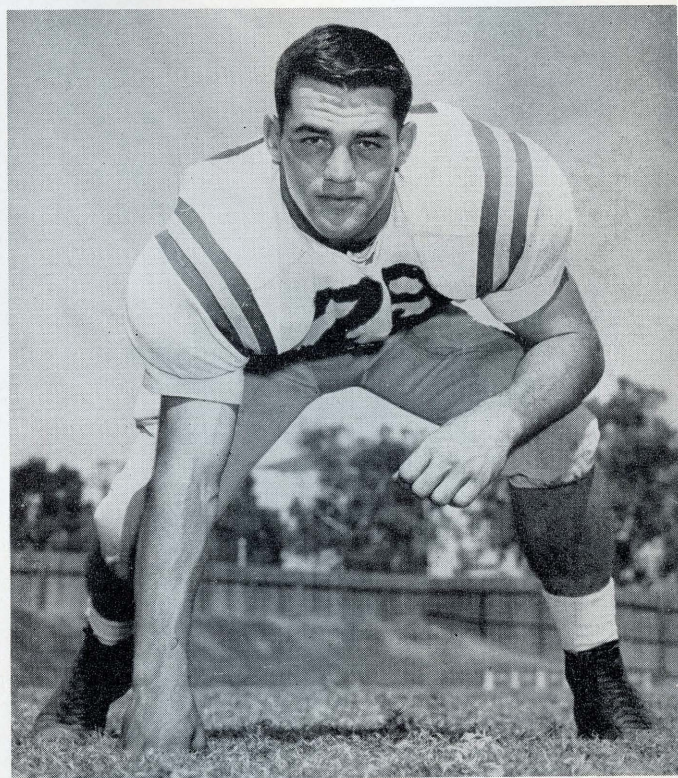

HALFBACK-END JIM STEFFEN

Steffen, UCLA's captain, is one of the Bruins' most valuable performers. A fine runner and pass receiver Jim is also a good punter, field goal and kickoff man. Steffen, a 6' 196-pound Senior earned his first Varsity letter last year playing end. Jim now plays either right end or tailback.

TACKLE PAUL OGLESBY

Oglesby, a rangy strong tackle, is one of the stand-outs in the Bruin line. A Junior Paul is a 6'4" 228-pound letterman with a promising future at UCLA.

Improving Bruins Try for an Upset

By FRANK STEWART

Assistant Director ASUCLA News Bureau

A couple of angry and aroused football teams will do battle here in Strawberry Canyon this afternoon in the 29th renewal of this series between the University of California giants.

The favored Bears, rudely knocked off by Oregon State last week, hope to keep their Rose Bowl fire from dying out completely—and also to break a seven-game losing streak to their Westwood brothers.

The underdog Bruins, the loser in five out of seven starts this fall, hope to spring a major upset—and that is exactly what it would be, a big fat, juicy upset! If they can surprise their Berkeley brothers, the Bruins will not only even this series at 14-14-1 but also will post their fourth straight win here in Memorial Stadium, a feat never before accomplished.

UCLA, accustomed to winning with regularity under the late and great Red Sanders, has been having its troubles this season for a number of obvious reasons, the loss of the Single Wing Master himself two short weeks before fall practice opened, the illness of his successor George Dickerson, the loss at midseason of seven first stringers—the penalized seniors

—and, of course, the Bruins have fallen before five pretty good football teams in Pitt, Oregon State, Florida, Stanford and Washington State.

From Acting Head Coach Bill Barnes and Captain Jim Steffen down to the sophomore student managers, the Bruins feel they are ready for an all-out effort this afternoon, certainly an improved performance over last week when they gave away three quick and easy touchdowns to Washington State to lose a 38-20 ball game.

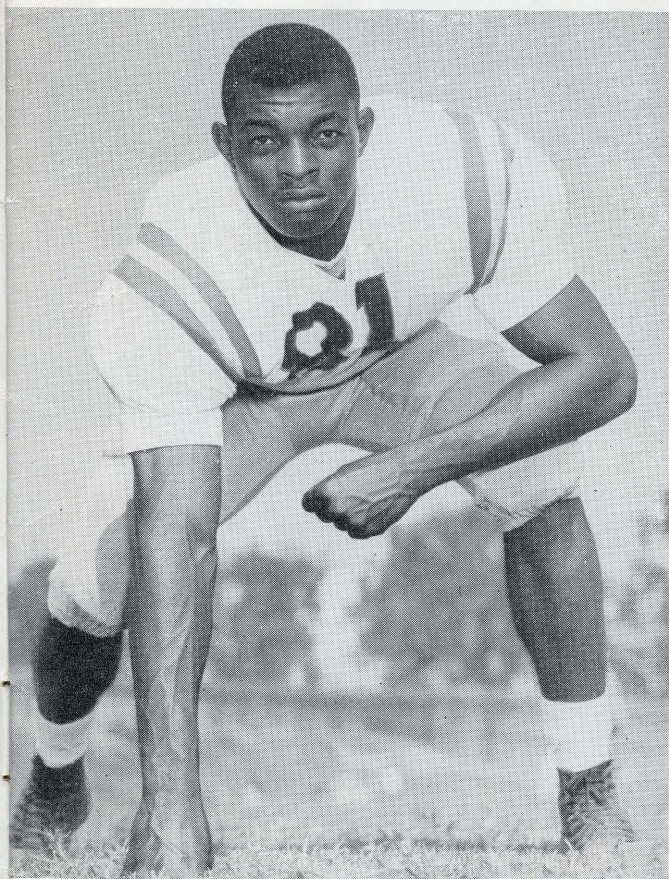

Early in the third quarter, the Bruins TWICE climbed to within one TD of WSC, 8-14 and 14-22, only to have the Cougars explode for quick tallies, one on a 66-yard pass play and the other on a 83-yard kickoff return. A short 31-yard UCLA punt to its own 33 set up the Cougar clincher in the wild five-teedee third period—and that was that.

But there was one bright side to the WSC defeat—the emergence of a new tailback star by the name of Nathan "Skip" Smith, a converted 193-pound fullback who showed he can really pack the pigskin. He rambled for 135 net yards in 22 carries for a solid 6.3 average and a TD. Pretty impressive stats for a gridder who had only carried the ball ONCE prior to last Saturday!

Skip, a junior from Torrance, has the speed and drive to be a star if he can improve his passing—and Coach Barnes says he believes this Mr. Smith can do just that. After all, he was only moved to tailback the Monday before the WSC

END JOHN BROWN

Brown, a two-year letterman, played behind All-American end Dick Wallen last Fall. With size and speed Brown is a fine pass receiver for the Bruins.

game. A Bruin to watch closely today—Nathan DeLynn Smith, No. 24.

Then there is another new tailback who figures to help out today for the first time since the Oregon State game Oct. 4 when he cracked his wrist. He's No. 17, Bill Kilmer a talented sophomore from Azusa who reminds fans of the former Bruin All-American Paul Cameron, especially his running style.

Chuck Kendall, a clever senior who is handicapped by a knee condition, will probably start today but Skip Smith and Kilmer are ready to step in and do a job—plus another senior named Kirk Wilson, who showed signs last week of coming to life after a slow start this season.

The 1958 Bruins also have other capable performers—but are lacking in over-all depth and experience, especially since the penalized seniors have been sidelined.

John Henry Brown is a fine pass receiving end who goes into today's game with 15 catches to his credit. There is no more hard-nosed competitor in the PCC than Captain Stefan at end. Fullbacks Ray Smith and Gene Gaines run with authority. Wingbacks Phil Parslow and Marv Luster have good speed. Blocking Backs Dave Peterson all 169 pounds of him and Art Phillips do a good job.

The Bruin forward wall is lacking in over-all size but Bob King Joe Harper and Rod Cochran are tough competitors at guard. Sophomore Harry Baldwin is a comer at center UCLA is hurting at tackle but Trusse Norris, a converted end, and lettermen Paul Oglesby and Jim Wallace have the ability to do a job. Tony Longo, who was making giant strides at tackle, is probably out of today's game with an elbow injury.

If these aforementioned Bruins play their top games today, Mr Kapp & Co. could have a mighty busy afternoon. They may have lost five games but their spirit and desire is still high, especially for this big battle with Brother Bear.

Parting shot: UCLA has won two out of three games on the road this season. Can they make it three out of four here in Strawberry Canyon this afternoon? It doesn't figure but stranger things happen every Saturday in this wonderful game of intercollegiate football.

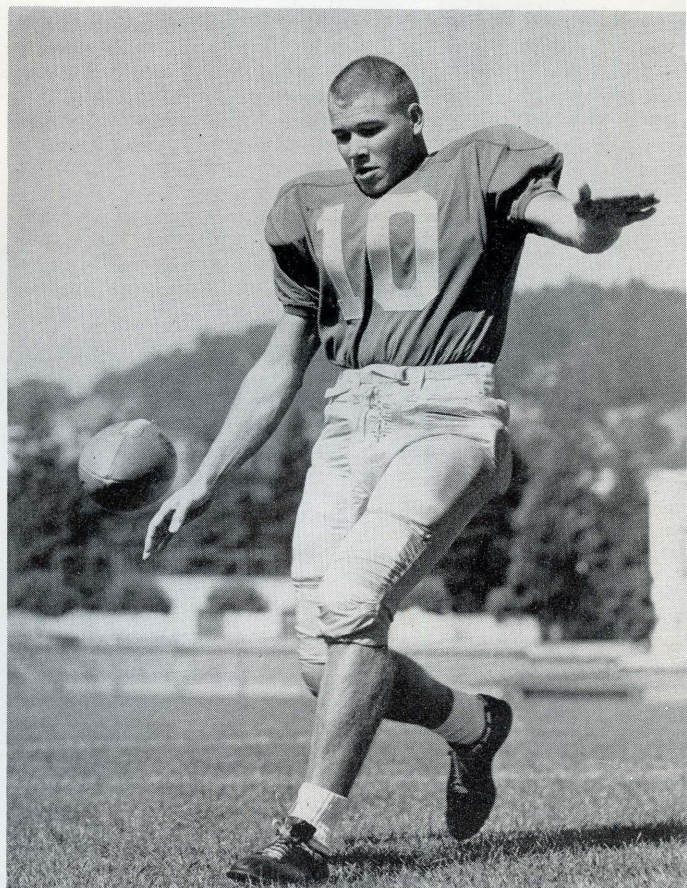

QUARTERBACK JOE KAPP

Kapp, the key man in the Bear offense, is making a great bid for All-American honors. Big and tough, Joe is an outstanding all-around player. He is the PCC's leading ground gainer with 437 yards rushing and 376 yards passing averaging 5.21 yards per play

HALFBACK WAYNE CROW

A Sophomore with a promising future, Crow was moved into the starting lineup when Senior Hank Olguin was injured. A fast and powerful runner Wayne is a tough man to stop. He has carried the ball 37 times for 154 yards—4.16 yards per play. Crow is also the Bears' No. 1 punter

Bears Aim for Fourth Conference Victory

By DON SHEPHERD
Gridiron Editor

Another round in the wide-open scramble for the Pacific Coast Conference football title will be staged today when Coach Pete Elliott's California Bears entertain Brother Bruin from Westwood in the annual All-University Week End battle.

The Golden Bears, toppled from the PCC lead last Saturday by Oregon State's Beavers, will be favored over a young Bruin team bent on playing the spoiler's role in California's bid for its first Conference football title since 1950.

California (3 1) will be pointing for its fourth conference victory today as the Bears try to keep pace with the conference-leading Beavers (4-1) who are meeting the Washington State Cougars (4-2), another title hopeful, in Pullman. Southern California's Trojans (3 2), who meet Washington in Los Angeles, also figure in the championship picture. A Bear victory today, coupled with a WSC win, would regain sole possession of Conference leadership for California.

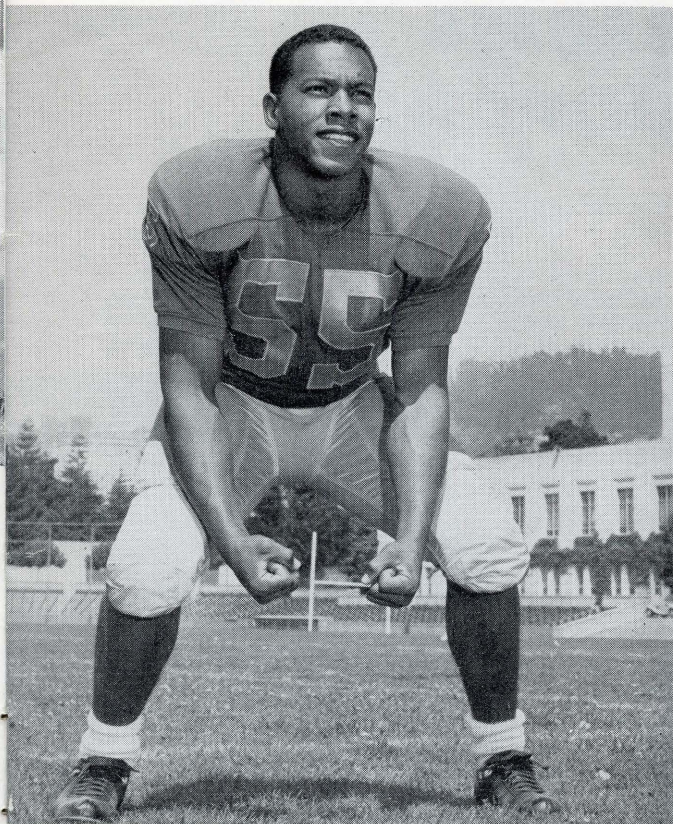

Aside from the fight for PCC honors, the Golden Bears will be attempting to end UCLA's domination of the Bear-Bruin rivalry. The Bruins have whipped the Bears seven straight times since 1950 when California earned a 35-0 decision. California still leads the intra-University competition with 14 victories to UCLA's 13. One contest, the 1933 inaugural of the series, ended in a tie.

The Bears and the Bruins have met two common opponents in Washington State and Oregon State. California routed WSC, 34-14, and lost to OSC, 14-8, while the Uclans lost to both the Cougars (38 20) and the Beavers (14-0)

All American quarterback nominee Joe Kapp will direct the Bears' bid to break UCLA's victory string against California. In victory and defeat, Joe has earned praise for his outstanding play. Joe leads the

CENTER TERRY JONES

Jones, a Senior letterman from Oakland has been one of the standouts in the Bear line. Terry a 5'11" 200-pounder started the season at guard but he was shifted to the No. 1 center assignment when Frank Doretti was injured. An outstanding linebacker Jones is a very good defensive player

PCC in total offense with 813 yards on 156 plays for a 5.21 yard-per-play average. He has rolled up 437 yards rushing on 94 carries, averaging 4.65 yards per try. In the passing department, Joe has thrown 62 times in seven games with 35 completions good for 376 yards. Kapp's 56.4 per cent completion average ranks with the PCC's leaders.

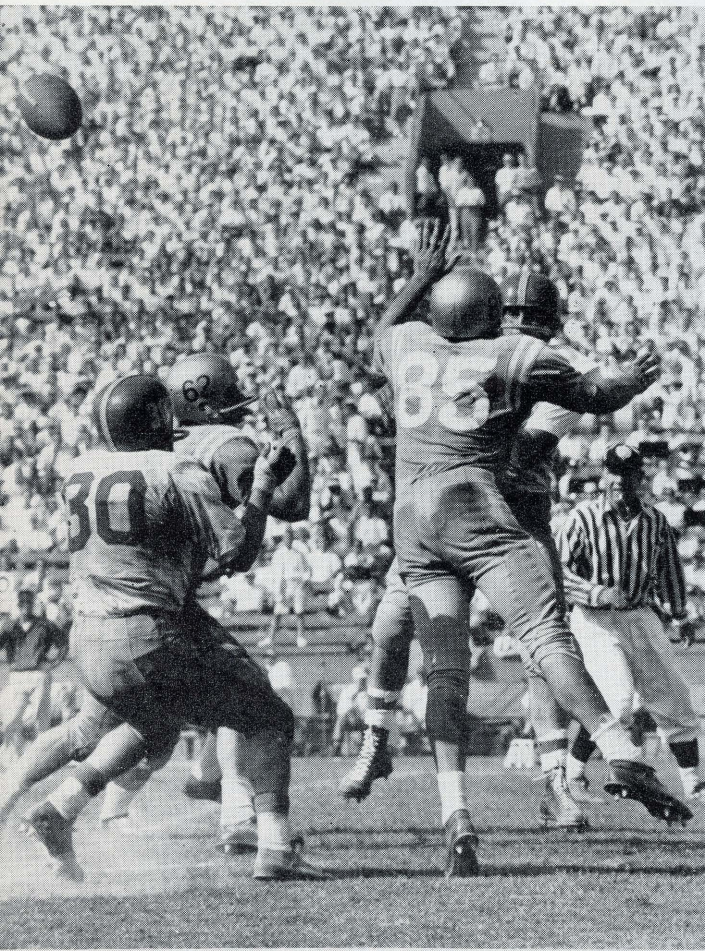

Bill Patton, the Bears' fine Sophomore fullback, suffered an injury in the OSC game and is a doubtful participant today. Junior Jack Yerman or Soph Walt Arnold will probably fill Patton's starting berth. Yerman, with his great speed is a breakaway threat. Jack has carried the ball 17 times for 122 yards, averaging 7.18 yards per carry. Soph Walt Arnold, a fine runner, has averaged 3.60 yards per try.

Senior left halfback Hank Olguin is also on the injury list, but Soph Wayne Crow has been doing an excellent job in Hank's spot. Wayne has netted 154 yards on 37 carries for a 4.16 yard-per-play average. Grover Garvin, a promising J.C. transfer, who has been hampered by injuries, may get the starting call today. Right half Jack Hart has been one of the Bears' most reliable performers. Jack has packed the ball 78 times for 248 yards (3.90 yards per play). A fine all-around player, Hart also leads the team in pass receptions with 16 for 212 yards and one TD.

The Bear line, which played an outstanding game against OSC, will line up with ends Charlie Holston (210) and Tom Bates (200), tackles Frank Sally (215) and Pat Newell (185), guards Pete Domoto (189) and Don Piestrup (180) and center Terry Jones (200). Center Frank Doretti, sidelined by an injury two weeks ago, is still doubtful. The second unit includes ends Jerry Lundgren (185) and Skip Huber (190), tackles Bill Streshly (225) and John Michael (220), guards Jim Green (215) and Jeff Snow (195) and center Andy Segale (200).

Versatile Jim Steffen, Bruin captain who plays at either half-back or right end turns the corner for yardage against Florida in a tight intersectional game at the Coliseum won by the Gators, 21 14.

Glen Almquist (85 Bruin right end and teammate Rod Cochran (62) right guard put on a big rush to a Pittsburgh passer in the Bruins' opener against Pitt The Panthers won, 27-6.

BRUINS IN ACTION

Marv Luster 33 UCLA's speedy wingback, catches a long pass from Soph tailback Bill Killmer (17) to set up the Bruins' lone TD against Pittsburgh. The play covered 58 yards.

All-American candidate Joe Kapp (22) executes the option with a lateral to halfback Jack Hart 43 before Oregon defenders Jack Stone 66 and Paul Bauge (84) can tackle the Senior quarterback. The Bears won this key game from the Ducks, 23-6.

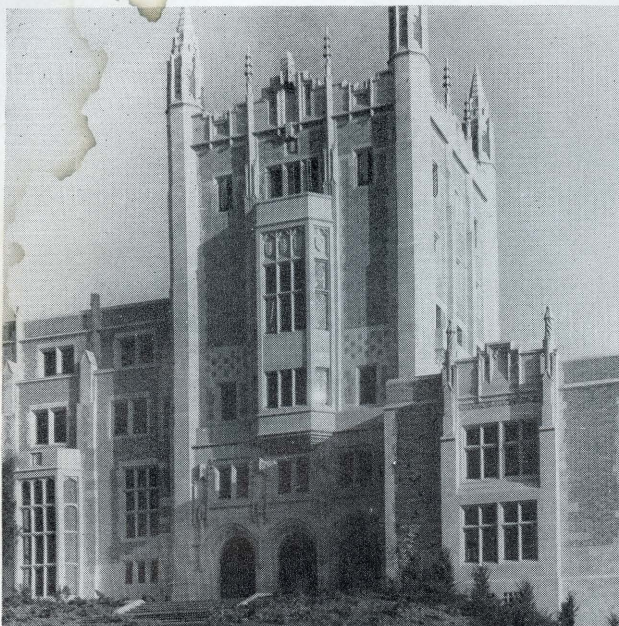

BEARS IN ACTION

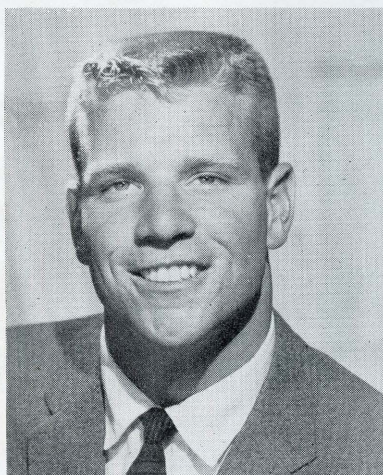

Co-Captain Jack Hart (43) moves for yardage against Oregon with rugged blocker Bill Patton (32) Sophomore fullback, leading the way. Oregon defender is end Alden Kimbrough 85

Wayne Crow (10), California's splendid Sophomore halfback, goes for yardage in the Bears 14-12 triumph over Southern California in the Coliseum. Crow's punting was a big factor in the Bear victory.

CAL BAND PRESENTS

"All-University Salute"

The 110 men of the University of California Marching Band, in honor of All-University Week End, today will present an unusual show in perpetual motion.

For its first pregame formation, the Band, under drum major Chapman Dix, will play the UCLA fight song "By the Pacific's Rolling Waters," while forming a curved block "UCLA." The letters "UC" then will move directly above the block formation made by the disintegrated letters "LA," to portray the newly adopted University of California flag. Student Director Larry Anderson then will conduct the Band, playing "Hail to California" as a salute to the eight campuses of the University

The half time program will feature moving formations and precision marching. In welcoming all Californians to Berkeley, the Band will present its "All-University Salute."

"Auto Music" and two moving cars colliding on a Los Angeles freeway will greet the visiting Bruins. The Santa Barbara campus will be entertained by palm trees and a crescent moon while the Band plays "By the Sea." When a tractor comes roaring downfield to the tune of "Turkey in the Straw," who could the recipient be but Davis? The letters "UCR" from a marching block band formation and the song "Down by the Riverside" will honor the University of California at Riverside.

"The Pennsylvania Polka" will conclude the Band's half time show. The California Band, forming a huge pen dipping into an inkwell (a precision formation), forms a written script "err", while the inkwell dis-

integrates and reforms into a huge letter "K(err) " In serenading and honoring new U.C. President Clark Kerr, the Band salutes his home state, Pennsylvania.

Two other bands are in attendance today. The UCLA Marching Band, attired for the first time in new uniforms, and the Davis Band, under the direction of Larry Austin, are the guests of the California Band. Austin is a former Cal Band assistant director. He has arranged more than half of the music for this afternoon's Cal Band show.

The combined California, UCLA and Davis bands will conclude the half-time activities with a special arrangement of George Frederick Handel's March and Chorus from "Judas Maccabaus," as president Kerr walks across the field.

THE
NATIONAL FOOTBALL FOUNDATION
 AND
HALL OF FAME

ASKS YOU
 AS ONE WHO LOVES THE GAME
TO READ THIS, OUR CREED

BY **CHESTER LAROCHE**
 PRESIDENT

This is a short-short story about the National Football Foundation and Hall of Fame and why Americans of all kinds everywhere will want to support it. It is written for anyone who loves football. If you like what we say here, you can do something about it by sending in the coupon at the bottom of the page.

You will become one of those particularly concerned people who have the interest and the will to help the Foundation

1. Make more people aware of the work being done by the ruling football body of the colleges the National Collegiate Athletic Association to enforce honorable rules in recruitment and to present to the nation the **tangible** benefits of the game as an incubator of "competitive fibre"
2. Raise funds to build a Hall of Fame
3. Organize and direct the activities of our many chapters.

The Foundation serves the common purpose of **all official** groups connected with playing and conducting the game. It concerns itself in the best sense with the public relations of amateur football—acting as the respected spokesman of national influence.

It joins together the graduate football player with these official groups. Here for the first time he is an active participant in an organization that can and will do its part to help college presidents realize the

unusual opportunity to develop in a more organized way on the playing field as well as in the classroom the kind of men that can

1. Face successfully the challenges of our competitive economy
2. Direct that economy toward defeating Russia in its avowed aim to destroy us;
3. Make a better life for all mankind

The Foundation is dedicated to a continuing campaign to see that football is recognized as a part of our **educational structure**, that the game retains its **amateur** status that football players are treated like students not 'hired hands' and that there is **no de-emphasis**.

Our Foundation is truly national in scope. Its Board of Directors and National Advisory Board headed by General Douglas MacArthur are nominated by the National Collegiate Athletic Association the American Football Coaches Association the Football Writers Association of America and the College Sports Information Directors of America. The Directors come from all over the nation and include college presidents, athletic directors, coaches, sportswriters, broadcasters, and business leaders who were former football players.

Your contribution will help the Foundation be a **respected national voice for the best things in the game**. We hope you will tear out the coupon below and send it to us.

In judging a modern filter cigarette...

IT'S WHAT'S UP FRONT THAT COUNTS

R. J. REYNOLDS TOBACCO CO., WINSTON-SALEM, N. C.

"Winston has got it," says Garry Moore, "because Winston's got a secret! It's **Filter-Blend**—fine, mild tobaccos specially processed for filter smoking!"

"A cigarette without flavor is like a world without women. Who wants it?" says the star of Winston's television hit, "I've Got a Secret!" "After all, if you don't get flavor . . . you're missing the whole idea of smoking!"

"Winston *has* got flavor! Because up ahead of Winston's pure modern filter is **Filter-Blend** a Winston exclusive! This secret **Filter-Blend** is what makes Winston America's best-tasting filter cigarette. Try Winston!"
