WILEY CANYON

Dear Students and Parents,

What a wonderful year the 1998 – 1999 year has been for all of us at Wiley Canyon School. As you look through this yearbook, you will see that this year has been full of fun, excitement, academic excellence and achievements. When you have time, look through this wonderful book for memories of your friends and teachers.

Wiley Canyon teachers, students, and parents continue to be the best! The teamwork between school and home is exceptional and greatly appreciated by all the staff members. I want to thank all the parents who have helped to support Wiley Canyon School this year in so many different ways. With your continuous support, we are able to offer an outstanding academic program for all our students.

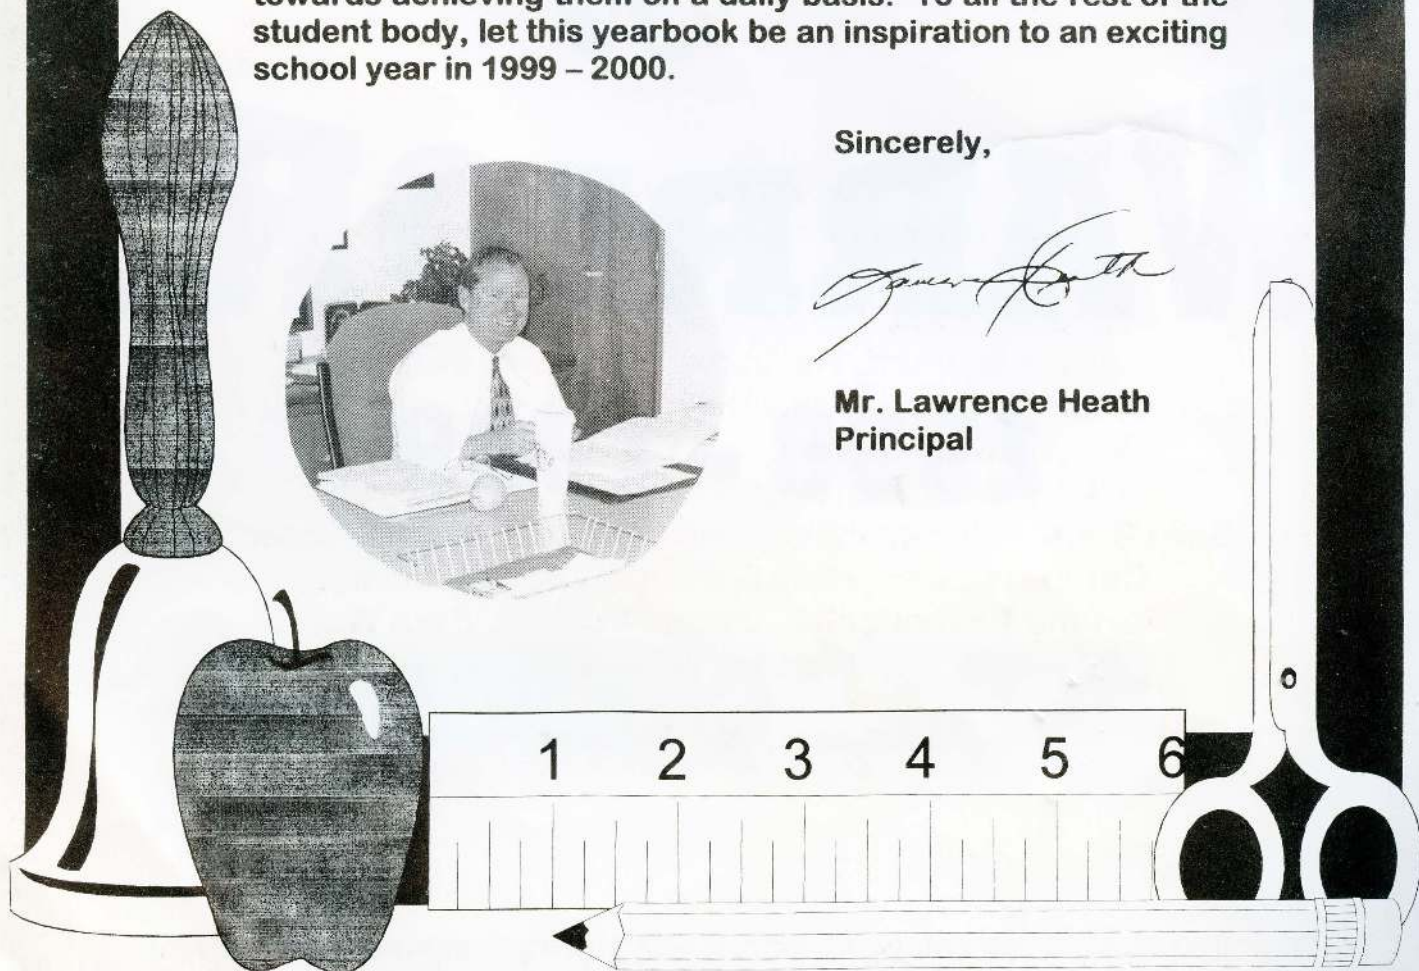

To the graduating class, I wish you all the luck and success as you move on to junior high school, the next phase in your education. Remember to set goals for yourself and work towards achieving them on a daily basis. To all the rest of the student body, let this yearbook be an inspiration to an exciting school year in 1999 – 2000.

Sincerely,

Handwritten signature of Mr. Lawrence Heath.
