~DOMINIC~

We can't believe how quickly time has flown and that it is already time for you to journey off to high school. We are confident that you'll be successful in high school just as you are in every other aspect of your life. God has blessed you with many talents and you consistently work hard to use those talents to serve God and achieve success in soccer, academics, piano, friendships and spiritual growth. You are the ultimate source of joy and pride in our lives. We love you and we will always support you in all that you do. Thanks for being the best son and big brother! God bless you Dominic!

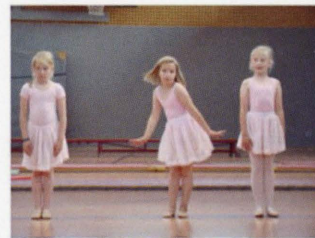

Nicole

You are and always have been daddy's princess and my easy going child. You may not like to stand out, but you do to us. You are not a follower or afraid to do your own thing. You are smart and beautiful inside and out. You are the glue that keeps our family together and you always will be. Most of all you are kind to others and have great empathy for all people, most especially the stranger on the street. To us you are the bravest person we know and have faced each trial with strength and grace. None of these things can be taught; you were just given them as gifts. One day these gifts, knowledge you will gain and talents you have yet to develop will help make a great life for you. We are blessed to have you as ours and love you.

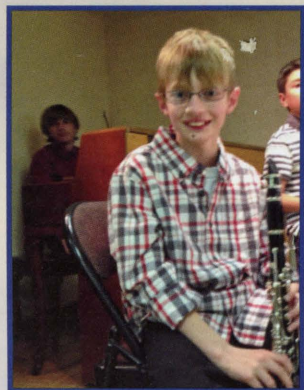

Love always, Dad, Mom, Nathan and Nolan

"You is kind. You is smart. You is important."
~The Help

Know that you will achieve whatever you set your mind to. You are a kind, generous, thoughtful and determined young man and those traits will take you far.

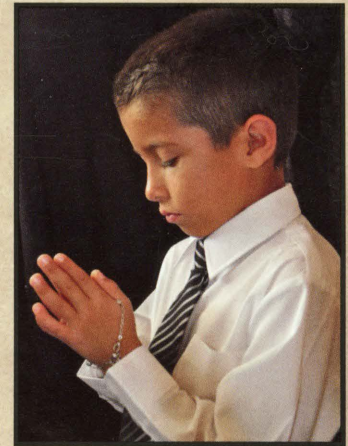

Lots of Love,
Dad, Mom, and Crystal

My Daughter

I wish you the strength to face challenges with confidence.

I wish you wisdom to choose your battles carefully.

I wish you safe adventure on your journey and may you always stop to help someone along the way.

Listen, not only with your ears but with your heart and take risks carefully.

Your Catholic education is indeed a blessing.

Always remember how much you are loved.

You are my Angel.

I am so proud of you !!!!

I love you,

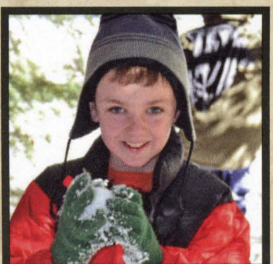

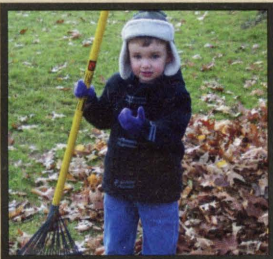

Mom

To our dearest Quinn

You've done a fine job transition from 1st to 2nd grade with ease. We were so emotional witnessing your First Reconciliation and First Communion. You have balanced school, Kumon, sport activities, and your Polynesian dancing and still maintain being an 8 yr old kid who loves to draw & have such an imagination. Have a great summer!

Mom, dad, Teagan & Keira

CONGRATULATIONS NICHOLAS!

From the very beginning you have been Hardworking, Fun Loving and our Joy!

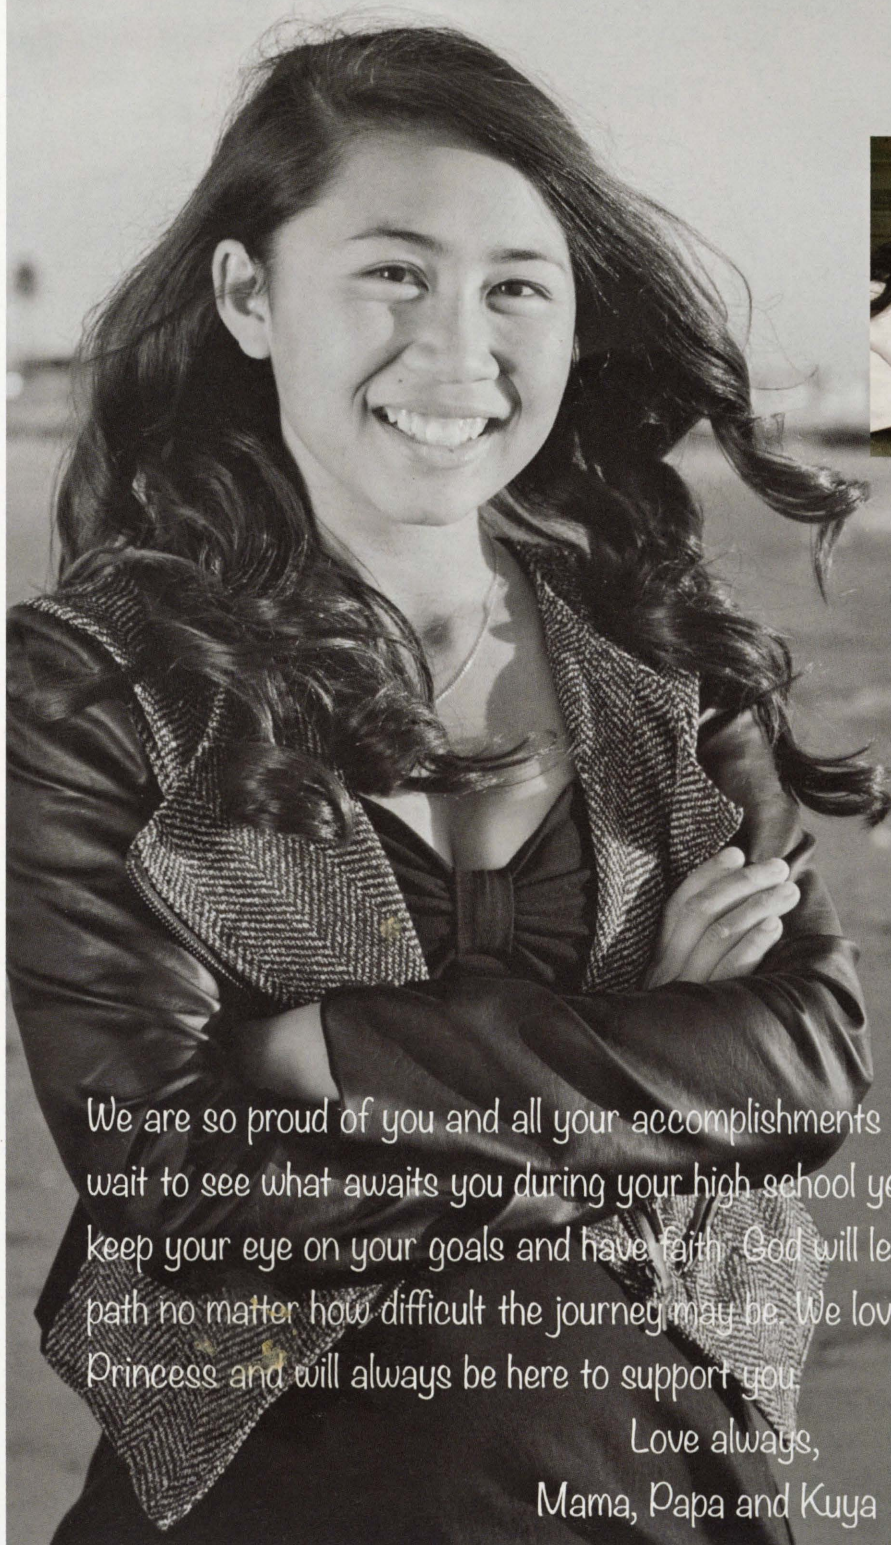

We are so proud of you today and always and we know you will continue to have great success in high school, college and all of your life!

We Love You!
