JAVIER REYES

THE NUGGETT '66

**PLACERITA JUNIOR HIGH SCHOOL
NEWHALL, CALIFORNIA**

PRINCIPAL'S MESSAGE

As the school year closes, we look ahead to new friendships, new experiences and new adventures.

Our graduating class will look forward to new schools, new teachers and new learnings. I think it must always be this way. Progress and growth mean looking ahead.

But, as we proceed into the future, we pause and look back at old friendships, old experiences and old adventures. This book, merely a chapter in our Book of Years, helps us remember and recapture the pleasant past.

I speak for the entire staff of Placerita Junior High School when I extend congratulations and sincere best wishes to our graduating class of 1966. May you enjoy continued success and learning at your new school.
