Memories are always with us as we pass through this life. The pictures and descriptions contained within this book will allow all of us to look back upon a very good year and recall people and events that were important to us at Rosedell. Hopefully, this yearbook will remind all who possess it of the excellent school year we have enjoyed. Rosedell is blessed with an excellent combination, of teachers, staff, parents and students, that creates a high level of achievement in all areas of related school life. This book is dedicated to the commemoration of those achievements.
