Superintendent

District Board of Trustees

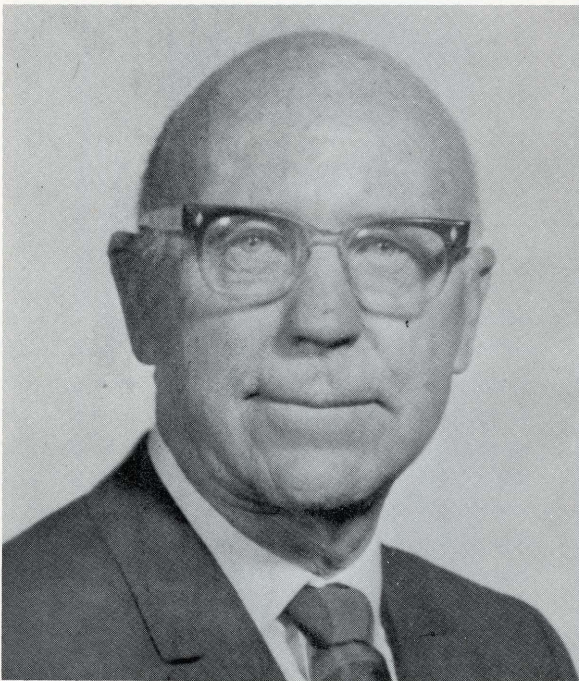

Principal's Message

As the school year draws to a close, we can look back on many pleasant experiences. Let this book help you with the memories of a backward glance, as you prepare to go forward. For those of you who are graduating, next year will mean a new school, new friends, and new challenges to meet. For those of you who are continuing your education at Sierra Vista, we wish you well in the pursuit of your educational goals. We have learned many things together and shared many fine experiences.

John D. Luthy
