AUCTION 1978

John Deed to

The ROARING 20's

Admission Catalogue Donation \$20 per couple

WELCOME

THE SANTA CLARITA VALLEY BOYS' & GIRLS' CLUB WELCOMES YOU TO ITS 7TH ANNUAL BENEFIT AUCTION. IT IS THROUGH YOUR CONCERN AND GENEROSITY THAT THIS YOUTH GUIDANCE ORGANIZATION IS ABLE TO DELIVER SERVICES TO THE YOUNG BOYS AND GIRLS OF THIS AREA. WE WISH YOU A HIGHLY ENJOYABLE EVENING AND HOPE THAT YOU CONTINUE TO HELP US BY BIDDING GENEROUSLY ON THE AUCTION ITEMS.

THE AUCTION will be divided into two parts: the LIVE AUCTION will feature verbal bidding on 50 items. The SILENT AUCTION will feature written bidding for auction items. Bid boards are posted on the walls of the Main Gallery at California Institute of the Arts. We respectfully request that you carefully read the RULES OF THE AUCTION listed on Page 3 of this catalogue.

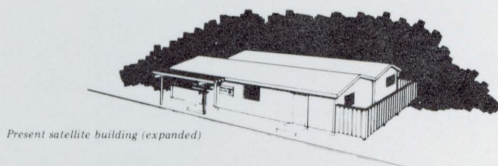

The Santa Clarita Valley Boys' & Girls' Club, an affiliate of Boys' Clubs of America, is a private, non-profit youth service agency. It has qualified as a tax-exempt charitable institution with the United States Internal Revenue Service and the State of California Franchise Tax Board.

THE MOST INCLUSIVE CLUB in the Valley, the Boys' & Girls' Club is open to all youngsters ages 7 through 17. All can benefit, but perhaps those who get the most

from belonging are those from families where there is just one parent or where both parents work and cannot participate in youth groups that are dependent upon volunteers.

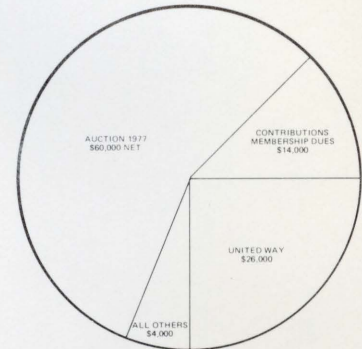

SOCIAL RECREATION, co-educational sports, arts and crafts, special events, camp-outs, trips and guidance were provided for more than 3,000 boys and girls in 1977. Branch satellites, which are within easy walking distance for a large number of members, are open every weekday from 3 to 9 p.m. Frequent camp-outs and trips are planned for weekends.

THE BOYS' & GIRLS' CLUB has a trained professional staff who recognize and respond to the restless energies, curiosity and youthful quest of young people for "something to do." The members benefit from the guidance and the direct influence of their capable leaders.

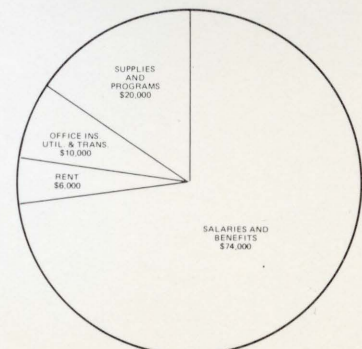

AFTER CAREFUL RESEARCH the Santa Clarita Valley Boys' & Girls' Club will embark on a major capitol campaign to raise \$300,000 for the expansion of its present facilities. Plans include remodeling and enlarging the three satellite clubhouses plus constructing two new branch buildings where the need is greatest.

THE RULES OF THE AUCTION

THE LIVE AUCTION

1. The live auction will begin at 9:00 pm and will run to approximately 11:00 pm. It will consist of the voice auctioning of Items 1 through 50 in the order they appear in this catalogue and in the addendum.
2. All bidding at the auction will require a bid number. Your personal bid number is located on the back of your catalogue along with your registration certificate and scrip. Fill out your registration card in advance to avoid congestion at the entrance on the auction evening. A bid card is required for all bidding and purchasing of items. Please save your number and keep your bid card with you at the auction.
3. During the live auction, when you want to bid on an item, wave your pom-pom or bid card as frantically as possible to attract the auctioneer's or spotter's attention. If you win an item, immediately announce your bid number to the auctioneer or spotter and remain in your seat.
4. A "runner" will bring a sales slip directly to you, indicating the prize you have purchased and the amount of your winning bid. After signing this slip, you are free to proceed to the cash tables to pay for your item and pick up your prize. If you wish, you may wait until the end of the evening and pay for all your purchases at one time at the cash table.
5. All prices are subject to the 6% California sales tax which will be added to the amount of your purchase.
6. You will note that on the back of your catalogue there is \$10.00 worth of scrip. This scrip may be used by you as a credit to the purchase of any item that you may buy. The scrip may not be accumulated to pay the entire purchase price of any given item. It may be used only by you. It may be used as a credit on either the live or the silent auction. Scrip will not be accepted for either drink or raffle tickets.

AUCTION GOURMET DINNER

This year the Boys' & Girls' Club is proud to present a pre-auction gourmet dinner for \$100.00 per couple for the first 100 couples who purchase tickets. The tickets will be sold on a first come, first serve basis. Dinner guests must also purchase an auction catalogue. The purchasers of tickets will be allowed to enter the dining room at CalArts at 5:00 pm on the day of the auction. Dinner will begin promptly at 5:30 pm. Complimentary wine will be served to all dinner guests and they shall also be entitled to reserved seats at the auction.

GENERAL RULES

1. The Boys' & Girls' Club requires that all prizes be paid for in full at the auction. Payment may be made by cash, check, BankAmericard, VISA, or Master Charge.
2. Unless otherwise specified, all auction items and services must be used within one year from June 11, 1978. Unless otherwise specified or stated by the donor, all items are transferrable from the winner to another person.
3. According to the Internal Revenue Service, only the amount paid for an auction prize "in excess of the actual cash value of that prize" is tax deductible. A written receipt indicating such an amount, for tax purposes, will be issued to you after the auction at your request.
4. All sales are final. However, the Boys' & Girls' Club will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys' & Girls' Club or on the part of the donor.
5. All winning bidders are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for payment at the cashier's table by 12:30 am, may, at the discretion of the Boys' & Girls' Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.
6. All items should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, then you must do so between 12 noon and 5 pm on Sunday, June 11, 1978. If you wish to do otherwise, prior arrangements must be made by either the purchaser or the donor.

THE SILENT AUCTION RULES

1. The silent auction will begin at 7:30 pm and will consist of written bidding on approximately 300 items posted on the bid boards along the walls. Nine groups of bid board items are

listed in this catalogue. Additional items will be added to group 10 and will be listed in the addendum, published just before the auction.

2. Each item can be located according to its group number. Bids will be accepted on each item until the board closes. The following are the closing times:

Group 1	Items 101-130	Closes 8:30
Group 2	Items 201-230	Closes 8:50
Group 3	Items 301-330	Closes 9:10
Group 4	Items 401-430	Closes 9:30
Group 5	Items 501-530	Closes 9:50
Group 6	Items 601-630	Closes 10:10
Group 7	Items 701-730	Closes 10:30
Group 8	Items 801-830	Closes 10:50
Group 9	Items 901-930	Closes 11:10
Group 10	Items 1001 & up	Closes 11:30

3. All items in the silent auction have bid sheets attached or affixed nearby. Persons desiring to bid must do so by legibly writing their name, bid card number, and the amount of the bid on the bid sheet. Any bid without a bid card number will be automatically disqualified. At the time of the closing of the particular group of silent auction items, there may be held a mini-live auction in the event that two or more persons are bidding on an item, see below.
4. Each bid sheet notes a minimum value by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the uppermost blank line available on the bid sheet.
5. All bids must be in even dollar amounts (no cents). Any bid which includes cents (other than \$.00) will be automatically disqualified.
6. The bid boards will be closed approximately at the times stated here in the catalogue. However, the official closing will be that time when the Boys' & Girls' Club Official actually removes the bid sheet from the board.
7. In the event that bidding is still in progress when the Boys' & Girls' Club Official attempts to close the board, the Official shall conduct a mini-live auction on the spot allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to rule 8 below.
8. After the bid board is closed, the bid sheet will be taken to the item verification table. At this time, the validity of all bids will be verified (bid number, even dollar bids, minimum increase, etc.). The highest valid bid will be declared the winner and the decision of the Operations Official will be final. Shortly after the board is closed, an Official shall post the bid number of the winning bidder on the board.

ANOTHER ADDED ATTRACTION

will be the publication of a "mini-logue" which will be given to all auction guests on the night of the auction. It will contain less expensive items that will be sold at a "guess the correct price" format. Details will be given in the mini-logue.

ADDITIONS AND CORRECTIONS

This catalogue contains only those items available at the time of publication. A special addendum, to be published and given to each guest at the auction, will list an additional group of bid board items. The addendum will also list all corrections and deletions necessary for any item published in this catalogue.

BANKAMERICARD AND MASTER CHARGE ACCEPTED

Master Charge, VISA, BankAmericard cards will be accepted at the auction for all expenses and purchases, including admission catalogues, bar and raffle tickets, and for the purchasing of all auction prizes. The Boys' & Girls' Club is indebted to Security Pacific National Bank, Newhall Branch and to Bank of America, Newhall Branch, for providing this special service to us.
