

SHOW BOAT THE 1980 AUCTION

Welcome

The Santa Clarita Valley Boys' & Girls' Club welcomes you to its 9th Annual Benefit Auction. It is through your concern and generosity that this youth guidance organization is able to deliver services to the young boys and girls of this area. We wish you a highly enjoyable evening and hope that you continue to help us by bidding generously on the auction items.

The Auction

THE AUCTION will be divided into two parts: the **LIVE AUCTION** will feature verbal bidding on items. The **SILENT AUCTION** will feature written bidding for auction items. Bid boards are posted on the walls of the Main Gallery at California Institute of the Arts. We respectfully request that you carefully read the **RULES OF THE AUCTION** listed in the catalogue.

The Boys' And Girls' Club

The Santa Clarita Valley Boys' & Girls' Club, an affiliate of Boys' Clubs of America is a private, non-profit youth service agency. It has qualified as a tax-exempt charitable institution with the United States Internal Revenue Service and the State of California Franchise Tax Board.

THE MOST INCLUSIVE CLUB in the Valley, the Boys' & Girls' Club is open to all youngsters 7 through 17. All can benefit, but perhaps those who get the most from belonging are those from families where there is just one parent or where both parents work and cannot participate in youth groups that are dependent upon volunteers.

SOCIAL RECREATION, co-educational sports, arts and crafts, special events, camp-outs, trips and guidance were provided for more than 3500 boys and girls in 1979. Branch satellites, which are within easy walking distance for a large number of members, are open every weekday from 3 to 9 p.m. Frequent camp-outs and trips are planned for weekends.

THE BOYS' & GIRLS' CLUB has a trained professional staff who recognize and respond to the restless energies, curiosity and youthful quest of young people for "something to do." The members benefit from the guidance and the direct influence of their capable leaders.

The Rules Of The Auction

Live Auction

1. The live auction will begin at 9:00 p.m. and will run to approximately 11:00 p.m. It will consist of the voice auctioning of Items I through 35 in the order they appear in this catalogue and in the addendum.
2. All bidding at the auction will require a bid number. Your personal bid number is located on the back of your catalogue along with your registration certificate. Fill out your registration card in advance to avoid congestion at the entrance on the auction evening. A bid card is required for all bidding and purchasing of items.
3. During the live auction, when you want to bid on an item, wave your pom-pom as frantically as possible to attract the auctioneer's or spotter's attention. If you win an item, immediately announce your bid number to the auctioneer or spotter and remain in your seat.
4. A "runner" will bring a sales slip directly to you, indicating the prize you have purchased and the amount of your winning bid. You may wait until the end of the evening and pay for all your purchases at one time at the cash table.
5. All items are subject to the 6% California sales tax which will be added to the amount of your purchase.

Silent Auction

1. The silent auction will begin at 6:00 p.m. and will consist of written bidding on approximately 400 items posted on the bid boards along the walls. Ten groups of bid board items are listed in this catalogue. Additional items will be added to group 10 and will be listed in the addendum, published just before the auction.
2. Each item can be located according to its group number. Bids will be accepted on each item until the board closes. The following are the closing times:

Group 1	Items 101-136	Closes 7:20
Group 2	Items 201-236	Closes 7:40
Group 3	Items 301-336	Closes 8:00
Group 4	Items 401-436	Closes 8:20
Group 5	Items 501-536	Closes 8:40
Group 6	Items 601-636	Closes 9:00
Group 7	Items 701-736	Closes 9:20
Group 8	Items 801-836	Closes 9:40
Group 9	Items 901-936	Closes 10:00
Group 10	Items 1001-1036	Closes 10:20
Group 11	Items 1101 & Up	Closes 10:40
3. All items in the silent auction have bid sheets attached or affixed nearby. Persons desiring to bid must do so by legibly writing their name, bid card number, and the amount of the bid on the bid sheet. Any bid without a bid card number will be automatically disqualified. At the time of the closing of the particular group of silent auction items, there may be held a mini-live auction in the event that two or more persons are bidding on an item, see below.
4. Each bid sheet notes a minimum value by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the uppermost blank line available on the bid sheet.
5. All bids must be in even dollar amounts (no cents). Any bid which includes cents will be automatically disqualified.
6. The bid boards will be closed approximately at the times stated here in the catalogue. However, the official closing will be that time when the Boys' & Girls' Club Official actually removes the bid sheet from the board.
7. In the event that bidding is still in progress when the Boys' & Girls' Club Official attempts to close the board, the Official shall conduct a mini-live auction on the spot allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to rule 8 below.
8. After the bid board is closed, the bid sheet will be taken to the item verification table. At this time, the validity of all bids will be verified (bid number, even dollar bids, minimum increase, etc.) The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after the board is closed, an official shall post the bid number of the winning bidder on the board.

General Rules

1. The Boys' & Girls' Club requires that all prizes be paid for in full at the auction. Payment may be made by cash, check, BankAmericard, VISA, or Master Charge.
2. Unless otherwise specified, all auction items and services must be used within one year from June 14, 1980. Unless otherwise specified or stated by donor, all items are transferrable from the winner to another person.
3. According to the Internal Revenue Service, only the amount paid for an auction prize "in excess of the actual cash value of that prize" is tax deductible. A written receipt indicating such an amount, for tax purposes, will be issued to you after the auction at your request.
4. All sales are final. However, the Boys' & Girls' Club will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys' & Girls' Club or on the part of the donor.
5. All winning bidders are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for payment at the cashier's table by 12:30 a.m. may, at the discretion of the Boys & Girls Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.
6. All items should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, then you must do so between 12 noon and 5 p.m. on Sunday, June 15, 1980. If you wish to do otherwise, prior arrangements must be made by either the purchaser or the donor.

The Sentry Club

THE SENTRY CLUB is a special group of friends, parents, business persons and concerned citizens who annually invest in boys and girls. Their support and commitment provide youngsters with opportunities within the SANTA CLARITA VALLEY BOYS' & GIRLS' CLUB. This honored support group is called the Sentry Club. Members of this club sponsor one or more boys

and girls at \$100.00 each for a full year of activities.

The following individuals and businesses are the first supporters for 1980. Supporting the Sentry Club is an on-going process and we all are welcome to contribute at any time during the year. Tonight we salute these first of many members.
