

Last Monday Miss Ruth Watson and Miss Clara Sanborn started to Newhall to see the snow, but were only allowed to go as far as San Fernando. They then went to the Veteran's hospital and saw two inches of snow there.

## Heavy Snow Enjoyed by Newhall Cabin Owners

Mr. and Mrs. John J. Bottema of South Sixth avenue took their niece, Louise Bottema, and Helen Marks, granddaughter of Mr. and Mrs. A. B. Hungerford of South Sixth avenue, to their cabin near Newhall, Wednesday.

Great crowds enjoyed the snow, which fell to a depth of a foot, and the youngsters thoroughly entered into the spirit of play that was evident everywhere, the decision to return home being met with loud objections.
